Trans. of letter to Prof. C. Hartwich.

5 June 1914.

Dear Sir,

I desire to thank you very cordially for so kindly sending me the impresssions of the terra sigillata which ~~you~~ have duly arrived quite safely this morning, also for the copies of your valuable works in which I have been much interested. The impressions you have so kindly sent I shall add to those of the originals we already have exhibited in the W.H.M.M. to which they will form a valuable addition. I will have some impressions made of the actual specimens shown in the Museum as soon as time permits, and will send you an actual specimen of the terra sigillata which is sold in Constantinople today. I should be glad to know at your convenience where the originals are of the impressions ^{have} you/so kindly furnished me with, and if they are in a museum at Zurich or in a private collection. I should also be glad to know if you know of any original specimens of the Greek Terra Sigillata bearing the seal of the goat or Diana. I have a small terra cotta tablet which is said to be a Greek specimen of square shape and stamped with 2 figures reclining on one side (see about description of this). *the reverse an uprigit figure & an altar* which I should like to show you some time. Should I be coming to Zurich later on, I should be pleased to show it to you. I trust since we have been engaged in the investigation of the same interesting subject that I shall hear from you again should anything further be discovered, and I shall be pleased to inform you likewise.

2.

Again thanking you very heartily for your kindness and for the trouble you have taken in the matter,

C.J.S.T.

ZÜRICH, 28. Mai 1914.

Sehr geehrter Herr!

Ich danke Ihnen aufrichtig für Ihr freundliches Schreiben und Ihre Arbeit über *Terra sigillata*, die mich sehr interessiert hat. Die beachtenswerthe Arbeit über diese interessante Frage habe ich wegen Mangel an Zeit leider einwerfen zurück legen müssen. Als Zeichen meines Dankes sende ich Ihnen aus meiner Sammlung eine Anzahl Doubletten der Frage u. würde mich sehr freuen, aus Ihrer Sammlung ebenfalls solche zu erhalten, besonders von den von Ihnen in Skambul gekauften. Ich füge einige Arbeiten von mir bei, von denen das eine oder andere Sie vielleicht interessiert.

Mit vorzüglicher Hochachtung

Ihr

sehr ergebener

C. Hartwich.

Many thanks for your kind letter
to for your work on "Terra Sigillata",
in which I was very interested.

I have unfortunately been
obliged to postpone my proposed
work owing to lack of time.

As a token of my gratitude I
send you a number of impressions
of the drug and should be very
pleased to receive the same
from your collection,
especially those which you
bought in Stambul.

I enclose a few of my works
some of which may interest you
