Henry S. Wellcome Esq:.

Dear Sir,

Two or three weeks ago I sent to the Medical Exhibition a knife which I saw used in Central Africa in 1879 in an Abdominal Section. Its receipt has not been notified.

I ask you to accept it from me.

I am sorry that I cannot find a Reprint of the Paper I read "On Labour in Central Africa" & which was published in the Edinburgh Medical Journal April 1884 but I send you herewith all I have of a French translation of the same with the page of illustrations which I hope you will also accept. The drawing of the knife is shown in it.

I am,

Faithfully yours,

Robert W Felkin

9 October 1913.

Dr. Robert W. Felkin,
47, Bassett Road, North Kensington, W.

Dear Sir,

I desire to thank you for your kind letter of the
7th inst.

I duly received the native knife from Mr. Wellcome
some weeks ago. He told me at the time, however, that
I was to await a letter from you giving the description
of it. I had the knife placed in the Historical Medical
Museum at once and was expecting a letter from you before
writing to acknowledge its receipt, so I hope you will
excuse the delay. Please accept our very cordial thanks
for so kindly presenting this interesting object, and
also for sending the French translation of your paper on
"Labour in Central Africa", which will be of great assistance to
to us, especially the illustrations. Mr. Wellcome much
appreciates your kindness.

Again thanking you,

I am, Faithfully yours,

E. J. S. T.
