Dear Sir,

I would be very  
grateful if you would  
send me another  
hand book of the  
Wellcome Museum -  
I am sorry to say I  
have mislaid the one  
which was kindly  
given to me when I  
had the pleasure of  
visiting the Museum  
last month.

Yours very truly  
John D. Brimlette

Dear Sir,

I desire to thank you very cordially for sending the native Malay splints which have just come to hand. We have no other specimens of this kind from your district in the Museum, so we shall value them very highly.

Again thanking you for presenting the same,

I am,

Faithfully yours,

Dear Sir,

I thought you  
might like some  
examples of Malay  
Splints — I dare  
say there are no  
others in England —  
and shall be  
very pleased if  
you will accept  
for your Museum

the ones I am  
sending you by  
Parcel Post -

Malays generally  
make them on  
the spot and I  
have often had  
patients brought  
to hospital with  
exactly similar splints  
to these but perhaps

not so carefully  
made and lined  
with bits of cloth  
or leaves -

Yours very truly

John D. Simlette

Dear Sir,

Very many thanks for so kindly sending the copy of your work on "Malay Poisons and Charm Cures" for the library of the Wellcome Historical Medical Museum. I have read it with great interest, and am sure it will add a great deal to our knowledge on the subject.

Again thanking you for your kindness,

I am,

Faithfully yours,
