Dear Sir,

In reply to your letter of the 31st ult., the Historical Medical Museum will be opened on June 24th, but, as you probably know, it is very necessary to have all the objects placed in position some considerable time before opening. We should, therefore, like to have the mortar as soon as possible. I shall be pleased to reserve a place for it up to 1st April next, as I wish to make it a prominent feature of the Exhibition, and am having a special pedestal made for it.

Thanking you for your kindness, and trusting you will be able to forward the mortar by the date specified,

I am,

Yours very truly,

E. Horsnail Esq.
