*Col. Castellani*

H.M.M.

30th October, 1918.

Dear Colonel Castellani,

Mr. Wellcome has asked me to write and thank you very heartily for your kindness and all the trouble you have taken during the past week in obtaining him such exceptional facilities for visiting the Medical Unit at the front in Italy.

He had intended writing to you himself, but he was unfortunately taken ill on Sunday night with the prevailing epidemic, and is now confined to bed, so he has been compelled to postpone the journey to a later date.

With renewed thanks for your kindness, and kind regards,

I am,

Sincerely yours,

C.J.S.T.

Dear Sir,

I should be much obliged if you could kindly give me a short interview, any day and time convenient to you.

My name may perhaps not be quite unknown to you, as I have been associated for a number of years with Dr Albert Chalmers in Ceylon, where I was Director of the Govt. Bacteriological Institute

and Clinic for Tropical Diseases.

I am, Sir,

Yours truly
