Paris,

Dear Sir,

We have not any photographs of the picture by David belonging to M. de Chaselles, neither are we authorized to take nor to sell one. We have only obtained from M. de Chaselles the right to reproduce his picture in a work which we are preparing on the "Cent Portraits de Femmes de l'Boole Anglaise et Francaise". It will be necessary, therefore, to subscribe to this work in order to obtain a copy of the engraving of the above picture. I may say, however, that at the request of M. de Chaselles, we have promised to furnish him with a certain number of the engravings with the copy of the book to which he has subscribed. Probably he would agree to let you have one of these copies. The plates are not yet ready, and consequently publication will not take place for a month or two.
