SPANTON, W. D. HASTINGS

1913

27 November 1913.

Dear Sir,

I desire to thank you very cordially for your kind gift of the stethoscope formerly used by Sir Andrew Clark. It is a most interesting and valuable addition to the Historical Medical Museum, and I assure you I much appreciate your kindness in presenting us with the same, especially as we have no other relics of the late Sir Andrew Clark.

I am glad to know that you were interested in the Museum, and trust you will be able to pay it a further visit when it is re-opened as a permanent institution in the spring.

Again thanking you very heartily for your kindness,

I am,

Faithfully yours,

C. J. S. T.

W.D. Spanton Esq., F.R.C.S.,
Ripon Lodge,
Hastings.

RIPON LODGE,
HASTINGS.

Dear Sir:

I am sending a
stethoscope which was given
to me at a consultation spent
yesterday by Sir Andrew
Clark - one he was then
using himself, but as
you see it the same
J. Rubber tube. The original
tube was the old black
rubber & the cover of the
chest piece is new.

It occurred to me you
might like to have such a
memento of such a man.

and I shall be greatly
pleased if you will accept
it for your Museum -

I visited the Med. Museum
more than once, and was
intensely interested. It is
really a marvellous and
most instructive collection.

Yours faithfully,

W.D. Spanton
