HAZELL, MISS C.M

1910

101 WESTMORELAND ROAD,  
CAMBERWELL, S.W.

3th July 1910.

Madam,

In reply to yours of 9th inst., respecting the microscope, of course you will understand that microscopes of this period have only a sentimental value, and have no real use. Judging from what you say I shouldn't think yours would be worth about twelve shillings and sixpence. If you care to send it to me on approval, I will examine it and make you the best offer I can.

Faithfully yours,

*J Brett*
