C.J.S.T.

3th May 1911.

Dear Sirs,

We are desirous of obtaining the loan for a short time of a few of the oldest illustrated catalogues of optical instruments, especially spectacles, eye-glasses, and other aids to sight of that description, for the purpose of naming and obtaining an idea of the date of some we have in our possession. If you would be so good as to let us know if you could loan us any old catalogues, we should take the greatest care of them, and return them to you in a few days.

We are,

Yours very truly,
