SMALLEY. C. IPSWICH

H. S. W.

13 October 1913.

Dear Sir,

I desire to thank you for your letter of the 11th inst. and the old pessaries and other objects, which arrived safely today.

We are very pleased to have them and much appreciate your kindness in presenting them to the Historical Medical Museum. A label will be attached to them stating that they have been presented by you, and I may say that they will form a most interesting addition to the permanent collection.

If you have not already seen the Museum, I trust you will be able to pay it a visit before it closes on the 31st inst. I have pleasure in enclosing herewith a ticket of admission and a copy of the Guide Book.

Again thanking you,

I am,

Yours very truly,

Charles Smalley Esq.,

Dear Sir,

Your letter to hand.

I have great pleasure in sending you
the articles mentioned. I regret I cannot
give you any information about them
beyond what is suggested by the articles
themselves. You no doubt can place a
period on them with more accuracy than
I can myself. I only hope they are worth
the museum's acceptance.

Yours faithfully

Charles Smalley.

Dear Sir,

I have been informed by one of Messrs. Burroughs Wellcome & Co.'s representatives that you have some old egg-shaped wood pessaries, a pewter syringe and scarifiers that you would be willing to present to the Historical Medical Museum. We shall be very glad to avail ourselves of your kind offer, and much appreciate your kindness in so doing. If you would be good enough to send them to me with any description you may have of date, etc., it will be recorded on a label placed on the object mentioning your name.

I have pleasure in sending you under separate cover a guide book to the Museum.

Thanking you in anticipation,

Faithfully yours,

C.J.S.T.
