Dear Sirs,

Your letter addressed to my firm has been handed to me, and in reply, I have pleasure in enclosing you the syllabus of an exhibition in connection with the history of medicine, which I am at the present time organising. This exhibition will be of a purely professional nature, and I should be pleased if you would be willing to loan me the set of old pharmaceutical jars of which you have kindly sent me a photograph. If you are open to accept a moderate price for the same, and would let me know what you require, I would consider the offer.

Yours very truly,

We are prepared to
dispose of them if we obtain
