28 July 1915.

Dear Mr. Hope-Pinker,

I trust you have not forgotten your promise to let us have a cast of the Waldie Memorial some time at your convenience for this Museum.

While I am writing to you it has occurred to me that a long time ago Mr. Wellcome mentioned to me that he thought you had a bust of William Harvey at your studio . Will you kindly let me know if you still have it, as I should very much like to see it some day if I may.

Faithfully yours,

C.J.S.T.

Dear Mr. Hope Pinker,

I wrote to you about a month ago to know if you would kindly let us have a plaster cast of the Waldie Memorial Tablet for this Museum, and would let us know what the cost of the same would be. I should be much obliged if you would kindly let me know at your early convenience, and also when I may send for the pieces of chemical apparatus that I lent you for the background. I could call and see you on the matter of the cast any afternoon next week.

I am,

Faithfully yours,

Dear Mr. Hope Pinker,

Before Mr. Wellcome went abroad, he asked me to communicate with you to know if it would be possible for you to let us have for this Museum a cast of the Waldie Memorial Tablet which you had in hand for Linlithgow. I should be glad if you would kindly let me know what the cost of the same would be.

I do not know if you returned the pieces of chemical apparatus that we lent you. If not, I should be glad if you would kindly do so.

I am,

Faithfully yours,

Dear Sir,

Before Mr. Wellcome went away he spoke to me about lending you some chemical apparatus which you wish to obtain to appear in a back ground of some memorial connected with Waldie.

I am going out of town next week, but if you could make it convenient to call here to-morrow (Thursday) afternoon at 3 o'clock I will show you what we have, and recommend to you what would be most suitable for the purpose.

I am,

Faithfully yours,

C.H.
