January 9th, 1908.

Dear Mr. Warren,

Thanks for your note of the 7th inst., just to hand. Our men were able to remove the things and get them away all right yesterday.

With reference to the copper vessels, I understood, when I went round your place on Monday last, that you did not wish to part with them, so I did not include them in my calculation. The mistake arose through your list, which I handed to my man without noticing that you had included the copper vessels, which you have evidently done in error. I have sent your list by him to show you.

I have pleasure in enclosing a cheque for fifteen pounds, the amount agreed upon, on Mr. Wellcome's behalf, and shall be glad if you will kindly give bearer receipt for same.

I note your kind offer to look out some more things when you get straight, and I know that Mr. Wellcome will be very pleased to have them.

Meanwhile, thanking you very heartily for the trouble you have taken in the matter, and trusting you will have a prosperous New Year with the new undertaking at Letchworth,

I am,

Faithfully yours,

W. Warren, Esq.,

it a matter of bargaining.

our old things and shall
take trouble to see you
have everything the most
creditable it can be to us.

If Mr. Will come on
his return, would like
to Supplement your
offer. I have no objection
at all.

You can remove

Can you get a journal
for the old press for us?

January 4th 1908

Dear Sir,

Thanks for your memo of the 3rd inst. enclosing the list of the old apparatus, etc, which I saw at your place yesterday.

I am afraid in Mr Wellcome's absence I could not give as much as £20-0-0 for the lot, but shall be willing to make you an offer of £15-0-0 for the whole of the articles enumerated on your list.

I regret we should not be able to find any use for the Press, but should I hear of anyone likely to want anything of the kind I will put them into communication with you.

Kindly let me have an early reply, as if you accept my offer I should like to make immediate arrangements for removing the things without giving you any trouble.

Yours faithfully,

W. Warren Esq.,
