4 November 1913.

Dear Sir,

In reply to your letter if you wish to dispose of the six blue and white jars, i.e. the three we have in the Museum, and the three you have with you, at a moderate price, we should be pleased to make you an offer for the same, but we may say we have a large number here, and the blue and white self jars of this period are by no means uncommon. I should think a good value for the six would be £5., and if you are willing to accept that amount, we should be pleased to give it for them. Will you please let me know, before I return these you have kindly lent to us.

I am,

Faithfully yours,

R. Hine Esq.,  
Beaminster,  
Dorset.

Established 1790.

Dear Sir

Thank you for your letter of the 31<sup>st</sup> inst.

I cannot fix a price for the blue & white syrup jars, but am told they are valuable. I have three more similar jars so it may be unwise to divide the set.

Faithfully yours

Richard Hine

If you will kindly let me know what price you require for the three blue and white jars, I shall be pleased to consider the matter of purchase of the same.

Faithfully yours,

Dear Sir,

I regret that I am unable to place the 5 Blyths jars and 3 Drug pots sent to your Museum in January last as a permanent loan in your Institution, and shall therefore be obliged by their return.

I am doubtful as to their value; do you feel inclined to make me an offer for one or more of the exhibits?

Faithfully yours

Richard Hine.

Dear Sir,

Replying to your letter of the 1st inst., you will see from the enclosed slip that the amount of work involved has necessitated the postponement of the historical medical exhibition until a later date. Full particulars will be advised you in due course.

Yours very truly,

Richard Hine Esq.,
