Now, at this eleventh-hour, is still sending out surgeons to take precedence
of those who have been ^{doing the work} ~~working~~ through the campaign.

If the accurate returns could be obtained, giving the information
indicated by the headings, ^{and} you would ascertain that ^{active} service in the
field has been no guide to promotion or reward in the

Dear Longman -

Thanks for
the "operation
schedule" - Is it
intended for candidates
prior to their joining
at Chatham or
afterwards - I, I
enclose the letter

as it is headed
"Practical Army

Dr. Johnson wishes
me to give a certificate that he left to
Black Army Medical the men themselves,
officers of his having and any assistance
performed the same - which I can give
but, this I think I shall not do, as any pleasure
I would not do, as any pleasure I can give

Dear Longman -

Do not be
amused at anything
Cousin may have
written - I have

not seen the article
you allude to, but his
criticism is not
worth 25; he has
that morbid feeling.

that persuades some
unhappy mortals of
being dissatisfied with
every thing - A kind
of Individual who is
never happy unless
he has a grievance,
is a Quaker -

Mapleton has sent
me the subscription list.
In it Miss ow
donation of 15 is marked

"paid in England" - I
have not yet received
it - With your kind
let me know when I
am to apply for it, i.e.
if he has told you -

I enclose four
Circulars - Tell
you forward them
to any Non-Resident
persons whom you
think likely to subscribe.
