Dear Sir,

In reply to yours of the 4th inst. respecting the mortar, it would be impossible for me to make an offer without first examining it. If you care to send it for inspection and pay carriage back if not accepted, I will give it consideration.

Faithfully yours,

Dear Sir,

I desire to thank you for your letter of the 2nd inst., and for kindly offering the old mortar. As we have a very large collection here in the Museum, we are only requiring those that are very rare or different in design to those we already have. Will you kindly let me know the price you require for yours, and I will give the matter attention.

I am,

Faithfully yours,

C. J. & Thompson Esq

Dear Sir,

I am told that the mortar is very valuable, many have tried to buy it, (one wanted it to set up in his hall for a dinner party) but have never put a price on it as really do not know its value.

If you like to make me an offer will consider it,

Your, its value as an ordinary T.M. mortar is a good deal

Yours truly
