From Mr. Safflow. If Museum permanent
will present an Arab silver charm & an opium
pipe.

R. PALMER-THOMAS, K.H.S.

ROYAL SOCIETIES CLUB,
ST. JAMES' STREET.

24/9
23 Sept. 1913.

Dear Sir,

I regret I was away when you called at the Museum last week. My assistant has informed me that you very kindly offered to present an Arab silver charm and an opium pipe to the permanent collection. We shall be most pleased to avail ourselves of your kind offer, and if you could either call, or forward the objects to me with a description of the same, they would be at once placed in a suitable position.

Should you be able to call again, I trust you will ask for me, and it will give me great pleasure to show you any objects that may interest you in the Museum.

Again thanking you very cordially,

I am,

Faithfully yours,

R. Palmer-Thames Esq., K.H.S.

Dear Sir

I have delayed replying to your letter hoping that I might be able to call & bring the objects in question.

However I have not succeeded in doing so up to now and I am now writing to ask when the Museum will close and what are the most likely times to find you.

Faithfully yours,

P. Palmer-Thomson
