Translation of letter to Dr. B. Klinger, 9 May 1913.

Dear Sir,

I desire to thank you for your kind letter of the 5th inst. offering to lend me several objects from your collection of oriental glass. Our catalogue is already compiled and our space practically filled. I am, however, very interested in the old invalid's feeding vessels, and if you have two or three of special interest I should be glad to exhibit them. The Museum opens in a few weeks time, so it is necessary that the objects should be forwarded at once. I enclose a lender's form, which I should be glad if you would fill up, giving value for insurance.

Thanking you very cordially for your kindness,

Translation of letter to Dr. E. H. Rinker, 2 May 1913.

Dear Sir,

I desire to thank you for your kind letter of the 24th inst. offering to lend me several objects from your collection of Oriental glass. Our collection is already crowded and our space practically filled. I am, however, very interested in the old Indian, Arabian and Persian vessels, and if you have two or three of special interest I should be glad to exhibit them. The Museum opens in a few weeks time, so it is necessary that the objects should be forwarded at once. I enclose a letter, which I should be glad if you would fill up, giving value for insurance.

Thanking you very cordially for your kindness,

Klinger

Ich habe die Aufforderung,
zur Beteiligung an Ihrer Ausstel-
lung in der medizinischen Staates-
zeitung gelesen. Da ich Sammler
alter antiker orientalischer Kunstgegen-
stände bin, so besitze ich in meiner
Sammlung u. a. alte medizinische Augen-
tropfgläser (für Collyrien), Bateschüsseln,
Krankenschüsseln (aus denen die Kranken
in schweren Krankheitsfällen tranken) u. dgl.
Im Falle Sie dafür Verwendung
haben, bitte mir dies mitzuteilen.

- I have read in the Standes Zeitung
about your H.M.E. asking for
contribution of loans.

I collect ancient oriental objects
& therefore possess among other
things ancient stibium glasses,
bath-basins, invalids vessels (from
which patients seriously ill used
to drink) & other such objects.

In case you should care to
be interested in the matter kindly
let me know. -
