time. He will more or less stay  
in the house Fri., Sat. Sund. & Mond.

Dear Mr. Thompson

I have seen Mr. Sivel again to day.  
He has begun to improve but as the  
weather is so very cold and windy  
I shall have to keep him in the house  
until it changes.

He will therefore keep indoors this  
week and then I shall see him  
again on Friday.

Sincerely Yours  
G. C. Low.

Dear Mr. Thomson,

I have seen Mr. Sirel again  
to day and am very pleased with  
his progress.

He may now begin some light  
work, say starting with 3 hours  
a day and then gradually increasing  
till he reaches his normal.

Yours  
Eric. Jones

G. C. Low.
