Dear Sir,

With reference to the little ivory box that you left with me the other day, the best offer I can make you for this, if you wish to dispose of it, is one Pound. If this is agreeable to you, let me know and I will send you a cheque for that amount, or if not I will return the box to you.

With reference to the work I spoke of, as I am so pressed at the present time, I have decided not to have it undertaken immediately, but I will write you later on when I am able to fix some definite time.

Faithfully yours,

C.J.S.T.

Dear Sir,

In the early part of the year you will remember you carried out some copies of miniature stretchers for me. I have now some other work in connection with Japanese objects that I wish describing and inscriptions on them translating. Would you be able to do this? Please let me know, and also what time you have available.

Faithfully yours,

C.J.S.T.

Dear Sir,

Referring to our conversation yesterday afternoon with respect to making the models of the Japanese stretchers, we should be willing to pay you two shillings for each model for which we should provide the material. You could work here from 7.30 for two or three hours each evening until the models are completed.

If this is satisfactory and agreeable will you kindly let me know, and I think we could have some material ready for you to start on Monday evening next week.

I am,

Faithfully yours,

Dear Sir,

Regarding yr. advt. in today's  
Daily Chronicle for a person capable  
of making simple models made of  
bamboo & wood. I desire to offer  
myself as a candidate for same.

I am a resourceful  
designer & model-maker of all  
descriptions. I have been in one of  
the leading manufacturing & exporters  
of Japanese goods in Yokohama, Japan,  
where I had supervised staff in  
the factory.

As regards wages that  
could be arranged upon an interview  
when fullest information given &  
highest references exchanged.

Hoping to have yr. favour  
of kind reply.

21-rack

Yours faithfully  
Juzo Ito.

Coby, (9.)
