Blackheath

13<sup>th</sup> Aug.

Sir

I have been away from home  
for some time & on my return was  
surprised to find there had  
been no acknowledgment of the  
receipt of a box of African  
Medical curiosities which I  
sent on behalf of my son  
Dr. Stammers of Zomba Nyasaland  
for exhibition at the  
Historical Museum.

I shall be glad to have  
a line to know that they  
were safely received and

14th August 1913.

Dear Madam,

In reply to your postcard just to hand the box of African medical objects, which you kindly sent on behalf of your son Dr. Stannus, was duly received here some time ago, and we acknowledged the receipt the same day. We are sorry that the letter went astray and hasten to assure you of the safe arrival of the objects, which are now on exhibition.

We have pleasure in enclosing you a ticket of admission to the Museum.

Faithfully yours,

Curator.

Mrs. Stannus,

Blackheath.

Dear Sir,

In reply to your kind letter of 15th February I have pleasure in enclosing you a syllabus of the Historical Medical Museum to be held in London this summer.

I am much obliged for your kind offer to loan us some interesting objects from your district, and shall be pleased to have anything you can send me of medical or surgical interest in the way of instruments.

I enclose a lender's form and labels for forwarding, and I shall be pleased to pay cost of packing and carriage.

I should be glad to have any objects you may be good enough to loan at your earliest convenience, as the official catalogue is now in process of compilation.

Thanking you for your kindness,

I am,

Yours very truly,

Hugh S. Stannus Esq.,  
Zomba,  
Nyasaland.

To the Secretary

International Medical Congress

54 a Wigmore St.

Dear Sir.

I have just seen  
mentioned in the Lancet the  
the organisation of a museum  
of medical history for the  
International Medical Congress  
and being interested in such

matters I should be  
greatly obliged you could  
send me the illustrated  
syllabus mentioned.

Of instruments etc and  
in this country there are  
but few, there however I  
think I have specimens of  
and though some of scattered  
at home & others with me  
here I shall try <sup>to</sup> send to  
you a representative  
collection.

Yours faithfully

Hugh J. Stammers
