Dear Mr. Carline,

Thank you very much for your letter. Unfortunately, both on Thursday and Friday afternoons I have engagements which I cannot put off. Would you be so kind as to ask Mr. Thompson whether he could make it convenient to come on Monday or Tuesday next between 2.30 and 4? Please, let me

hear ~~what~~ whether this will suit Mr.  
Thompson or not, as soon as you  
can.

Both my lectures in Scotland  
were very successful; and I am  
going early next year to some other  
places in the provinces for lectures.

Yours sincerely,  
M. A. Gasplicka

Dear Madam,

I desire to thank you very cordially for so kindly presenting the copy of the catalogue of your Museum in Siberia for our Library. I am sure it must be a most interesting collection as so little is known in this country of the folk-lore of that country.

If you could find time to pay a visit to the Wellcome Historical Medical Museum, I should be very pleased to see you and show you anything that would be of special interest, and I enclose a card of admission for that purpose.

Should you have any photographs we might purchase connected with the recent expedition, I should be glad if you would kindly let me know.

Again thanking you,

Faithfully yours,

C.J.S.T.
