5 October 1916.

Dear Madam,

I desire to thank you for so kindly sending the box of surgical instruments, etc. for our inspection. I have gone through them very carefully, and find there are only very few, namely, four cases and the stethoscope that are sufficiently old to be of interest for this Museum. The others are so modern, but I would suggest to you that they could be given to some hospital where they would be glad to have them to use.

Will you please let me know how I shall dispose of them, and also if you wish to present the four cases of older instruments to this Museum. If so we should be glad to have them.

Thanking you for the trouble you have taken in the matter,

I am,

Faithfully yours,

C.J.S.T.

To the Curator

Sir,

I am sending
off today Sep^r 29th A.
box containing a portion
of medical instruments
that belonged to my late
brother Dr Thomas Pigg
of Burgh by Sands. Cum-
berland. who died in Dec
1915. he was doctor for
that village & the surrounding

district for over 40 years.
I am indebted to Dr
Henry Barnes of Portland
Square Carlisle for your
address for I was in a
difficulty where to place
them. Meanwhile I had
given ^{away} 3 or 4 more modern
articles. But I hope these
are such as you require
for your Museum.
I may add that Dr
Barnes was a friend
from school boy days

With regards.

I am, Sir, yours

Yours sincerely

James Boutledge
