Dear Sir,

In reply to your letter of the 8th December in reference to the old microscope, I am afraid it could never have belonged to Culpepper, as it does not date from earlier than about 1750.

I am sorry that the highest offer I could make for it would be about 12/- (twelve shillings). If this is acceptable to you, I shall be pleased to remit you a Postal Order for the same. If not, I shall still be glad to retain the microscope for display at the historical medical exhibition.

Yours very truly,

John Storrie Esq.,

Dear Sir,

Many thanks for yours of the 20th ult.,
and for sending me the address of Mr Drane,
with whom I will communicate. I shall be most
pleased to have the loan of your old microscope
for my forthcoming historical medical exhibition.
I already have a copy of Pliny's Natural His-
tory, or I should have been glad to have availed
myself of your kind offer to loan that also.

Thanking you for your kind interest in
the matter,

I am,

Yours very truly,

Dear Sir.

I am in receipt of your pamphlets
etc in connection with forthcoming exhibition
& have I believe wisely placed them

R Drane Esq of Queen St Cardiff has a most
magnificent collection of curiosities.

Pomanders, essence jars, etc of great value
& if you could possibly persuade him
to lend it would be of great advantage.

Myself I have an old microscope said
to belong to Dr Culpepper & a copy of
Pliny's natural history if these would
be of service.

You will no doubt hear from
several collectors in Cardiff

Shortly.

Wishing your project very success

I remain

Dear Sir

Some time ago Mr R. C. Harris
acting on my instructions forwarded
to you an old Culpepper Microscope
for your Scientific Exhibition.
He has since informed me
that you have inquired
whether I am prepared to
dispose of same.

Should you still be of
same mind I should be
prepared to consider
an offer for same.

I am
yours truly

John Storrie.
