N^o 1 — Royal Army Medical Corps at work

✓ Each ambulance wagon only takes two lying down cases. — here we see the R. A. M. C. orderlies taking a rest after putting in the first stretcher, the second lies on the ground with a typical wounded Tommy (ever cheerful) on it

✓ 2 — Part of the ponton Richards Drift Dugela with a water cart crossing over

3 — Scenes on the March

X Greek men swimming Dugela at Folenso

4 — R. A. M. C. at work

✓ Medical officers examining a wounded man during the Skirmish on Hussar Hill — Note the Volunteer Ambulance Corps standing round each man carrying his entire kit on his back. Kameley - Haversack, water bottle, Waterproof Sheet, Kettle & Mug.

5 — R. A. M. C. at the Front

✓ Volunteer Ambulance men carrying wounded from Raft at Dugela, Folenso

6 — Deserted Farm Richards Drift Dugela
Groups lying about after a night march from Springfield

7 — With Buller to Lady Smith

Lady Smith's defences against the Boers —
Men on Devon Hill showing the sangars & sand
shelters in which they lived during the siege
Lady Smith March 1900
(dinner hour approaching)

8 —

8th —

6th Bearer company camps with improvisations on waggon such as carry the lighter cases of wounded from us to the stationary hospital

9 —

with Buller to Ladysmith

XIth Brigade ambulance waggons crossing the Klip river on their day of entering Ladysmith March, 1st, 1900

10 —

Raft with wounded men crossing Tugela at Solenso all their means of communication by bridge having been destroyed by the Boers this method had to be adopted to send them across

Houses on sky line showing results of shelling
