Westminster, S.W.

The "Auxiliary" Self-Toning Paper.

To members in doubt as to which of the many widely-advertised makes to select, the new "Auxiliary" Self-toning Paper can be confidently recommended as being equal if not superior to anything on the market, and this paper being manufactured for the use of members only, and the usual expenses of advertisement being therefore saved, the Company are able to offer packets of the usual 1/- size for 11d.

A splendid range of tones can be secured with the "Auxiliary" Self-toning Paper by simply varying the time of immersion in the fixing bath, whilst if ultra cold tones are desired they can be secured by the use of a bath of common salt before fixing.
