Dear Sir,

Original AB 223 dated 1892 - 1897  
used at the old Royal Victoria Hospital, Netley: Provisions a/c.

As advised by tel/con on the 8th inst., I have pleasure in sending you the a/m book.

This was retrieved from a heap of rubbish at the time of demolition of the old building in 1966.

Points of interest gleaned from the various accounts are as follows:

Hospital Supplies The number of patients seem to have averaged between 500 - 600.

It appears that telegrams were sent to local contractors when something urgent was required. (? no telephones).

Army Service Corp Bakery and Laundry

Special items relating to these departments.

Transport This refers to the hiring of men and horses to move baggage from the railway station at Netley.

Also to pump water for use of troops stationed at Christchurch.

Forage Rations and Oats This probably relates to the above.

Garrison Cells Both at Netley and at Christchurch.

Food prices

Here is a selection which should prove interesting:

Split Peas	@	1d per lb.	Tea	@	1/4½ per lb.	Sugar	@	19/- per cwt.
Vegetables	@	½d " "	Eggs	@	11d " doz.	Meat	@	7d " lb.
Potatoes	@	4/- " cwt.	Ale	@	1/- " gal.	Milk	@	2d " pint.
Fish	@	11d " lb.	Champayne	@	37/- per doz.	Partridges	@	2/6 each

As per our tel/con, the reimbursement of postal charges will be appreciated. (I hope that you will find a use for all those screws!).

Yours faithfully,

*L.H. King*
