(Gen. 68)

Official Memo.

19

From

To

Dear Skurton

Amur sent me
 (c. Dyer's son) the
 PerVang in 9
 is proving her heric.
 He has impaired
 knee jerks, wobble
 jerks, slight pre khal
 occlusion, touch

Official Memo.

19

From

To

murder (tho) - but
 in letter never
 Heart - quiet + P.S.^c
 when admitted for
 by he cd not walk
 eat - support,
 Thered considerable swelling
 legs feet & face.
 He can walk 1 mg to
 night well by now

Official Memo.

19

From

To

but cannot do this
for units = 1000.

I am under the impression
is a case.
