WORKING PARTY, 1894-5.

THE HOSPITALLER'S HOUSE,

St. Thomas's Hospital,

London, S.E.

November, 1895.

The number of garments made and contributed in 1894-5, amounted to 160, thus making a total of 2,288 garments presented to the Hospital since the formation of the Working Party in 1883.

In addition to this, a sum of £47 has been expended during the last six years in the purchase of Bed Jackets, Dressing Gowns, &c.

The best thanks of the Working Party are due to those ladies who kindly undertook the cutting out.

Contributions of work should be sent not later than April 30th. I should feel much obliged if the names and addresses of Honorary Members were placed in the parcels sent, or if a post-card announcing the dispatch of their work were sent to me, as occasionally parcels have arrived without the donor's name, and I have thus been unable to acknowledge the gift.

The Rules of the Working Party are printed on the last page of this Report.

Cheques should be crossed "London and County Bank," and Postal Orders made payable af the Westminster Bridge Road Post Office.

CATHERINE SWINTON MILLS.
