Wills paped through

Army Medical School. Royal Victoria Hospital. Netley 6: 001 1863 My dear Barn Larrey Dr Wills, Afristant Jurgeon P3rd Regiment, is visiting Paris for the purpose of the pursuing professional study and has asked me to give hun a letter of introduction, so that he might he enabled to visit the establishment of the Val de frace Le (D. Wells passed Through

our School with great credit; and as you have so often kindly offered to forward the views of British midsial Officers when visiting Paris, I know you will excuse my giving De Wills this letter to you, and asking you to give him the newpay canchion for his admission to the military hospitals of Saris Wewed safely her last volume of our druy nedical Reports Believe me by dear Baron hery truly yours The Longmore Montant herm Larrey, Manutant fred, Membre du Tanet de Saule Tres! let headaine Imperials

Army Medical School, Royal Victoria Hospital. Netley 12! July 1870 My dear Baron Larrey I do not know the address of mouseur Smiller de Claubry; will you then pardon my asking you to cause the enclosed papers to reach him? promised M. de Claubry to send him some holes on the Alexanian campaign and I now farmend them. They are written by courte de Wollowiz, aprilant Surpon in the British army, who served throughout the campaign in Abypinia. The notes would have been sent Jomes, but unfastimately Ca. Wollowies has been very Ill from dysentery, trough, Yam happy to say, he is now convalescent. I also promised to Lend the results of the ruals at aldershot camp of the two ambulance Wagons Which gained prizes from the Societes of Secours Le" at the Universal Exposition in Paris in 1067, and Jurich two hallerus & were purchased by the Butish government. how forward the reports respecting these wagons; { docate Waggon, and Evans' Waggon.) I regret having to five you this trouble, but history the aby simina Expedition I remain, dear Bain larry, houseur le Barra Larrey, was my suiceuly zone's Trefficial, Prest du Couset de Sante Languere. This Longmore Trefficial, Pres! du Consuit de Santé des remées

Aimy Medical School. Royal Victoria Hospital Woolston, près Netley, le 29 Septembre 1879 Cher Baron Larrey de viens de reveir chez moi âpries une Juinzaine d'absence, et je trouve ici votre bienveillank lettre du 16 Courant. Je vous remercie bien suicirement pour la lettre de recommendation que vous avez ajoutée à ma lettre à Monsiour le Grand Plancelier de la Elfion I honneur uneurmant ma promotion au grade d'Officier. Je duis convaince qu'une telle recommendation de votre part doit exercer une très importante influence dans cette le suis d'avis que l'acadenie de Mideine a riçu un exemplaire de mon dernier ouvrege sur Gunshot hypiries a l'époque de sa publication, mais, en cas que ma Monsieres Larrer mémoire Monueux le Baron Lairey

mémoire ne me sert pas justement lans cet égard, je vais donner des ordres à mon libraire à londres d'envoyer un exemplaire à votre adresse; et je l'estimerai une faveur de votre part si vous voulez bien l'offrir à l'heademie de Médeine en mon son quand une occasion conveneble se présentera.

Je vous adrefee cette fois principale.

Ment sour vous annouver l'arrivée de

Notre lettre du 16 m, pour vous remercier

les renseignements attachés et vous

expliquer la cause du délai de ma réponse.

Je me réserve de vous faire parvenir l'analyse
cu français de mon ouvrage sur "quishot

hijuries" dans quelques jours.

Correz moi Che Baron Larrey s toujours votre tout dévoue The Laugmore Chiringien seinel

article In Tournal ans Sarrey. Army Medical School. Royal Victoria Hospital. Netley 219th June 1887 My dear Baron Larrey, I send you the enclosed article, which I have cut out of one of our cheap popular newspapers, in the belief that it may afford to you some wherest, and perhaps amusement. at any rate, it well show you

Re Paddock, Wortstone, Hants. Cher Baron Varrey Veullez accepter mes remerciments Inicères pour votre communication benireillaute et auxi pour la favour récterée que vous m'aves fait en m'aidant d'obtenir la position honorable d'un apricé étranger de l'Academie de Medeeine le Paris. T'en suis bien recounsissant. le vous remercie, de nouveau, pour volte réception amiable de mon collègue Monueur le Chirurgien de Brigale galivire à l'occasion le sa récente visite à l'aris, Il était très content on bon accueil qu'el a trouve a Paris. Peullez agréer, Monsieur et très Honoré Barn Larrey, l'assurance de mes tentiment entierement denoués the Laguere
