Dear Sir Thomas,

I write to thank you on behalf of Mr. Wellcome for your very kind letter of appreciation respecting the Historical Medical Museum, which he has been organising for some years past.

I know it will give Mr. Wellcome great pleasure to hear that the Museum will be affiliated to the Section of the History of Medicine of the International Medical Congress.

You may rest assured we shall do everything we possibly can to co-operate with the officials of the Congress.

Together with my colleague Dr. Sambon, who is assisting me in the arrangement of the exhibits, I hope to call upon you one morning next week, convenient to you, to ask if you can pay us a brief visit, in order that you may see what we are doing.

Again thanking you very cordially on Mr. Wellcome's behalf,

I am,

Faithfully yours,
