Brief Directions to Executors.

Having caused the Property to be described and valued, take the Inventory with the Will to your Proctor (this should not exceed six months after decease of Testator). In due course the Will is deposited in the Registry, and a copy (the Probate) delivered to you with a Certificate of it having been proved. Then collect the Debts and satisfy all Demands upon the Estate; the latter in conformity with the following order, which shows the precedence required by law:

1. Funeral, Testamentary, and all other expenses incurred in the due execution of the Will.—2. Debts due to the Crown on record or speciality.—3. Debts which by particular statutes are given precedence over others, as Poor-rates and the like.—4. Mortgages, Judgments, Decrees of Chancery, &c.—5. Special Contracts, as Leases, Bonds, and the like.—6. Bills of Exchange, and so forth.—7. Book Debts.—8, and last (usually about 12 months after decease, as the Executor is liable to the claims of all creditors, who seldom fail to declare themselves by that time), the Legacies; first deducting the amount of duty thereon (which must be paid to Government within 21 days), and taking a receipt provided for that purpose by the Stamp Office. Care should be taken not to pay them to parties unqualified to give a proper discharge, a Minor for example, or a Married Woman; in the latter case, the joint receipt of herself and Husband must be taken, unless the Legacy is left for her separate and especial use.

Brief Directions to Executors.

Having caused the Property to be described and valued, take the Inventory with the Will to your Proctor (this should not exceed six months after decease of Testator). In due course the Will is deposited in the Registry, and a copy (the Probate) delivered to you with a Certificate of it having been proved. Then collect the Debts and satisfy all Demands upon the Estate; the latter in conformity with the following order, which shows the precedence required by law:

1. Funeral, Testamentary, and all other expenses incurred in the due execution of the Will.—2. Debts due to the Crown on record or speciality.—3. Debts which by particular statutes are given precedence over others, as Poor-rates and the like.—4. Mortgages, Judgments, Decrees of Chancery, &c.—5. Special Contracts, as Leases, Bonds, and the like.—6. Bills of Exchange, and so forth.—7. Book Debts.—8, and last (usually about 12 months after decease, as the Executor is liable to the claims of all creditors, who seldom fail to declare themselves by that time), the Legacies; first deducting the amount of duty thereon (which must be paid to Government within 21 days), and taking a receipt provided for that purpose by the Stamp Office. Care should be taken not to pay them to parties unqualified to give a proper discharge, a Minor for example, or a Married Woman; in the latter case, the joint receipt of herself and Husband must be taken, unless the Legacy is left for her separate and especial use.

HARWOOD'S

Metallic Memorandum Books,

Of Prepared Paper, with Metallic Pencils.

MANUFACTURED BY A. COWAN AND SONS.

"Invaluable to all Persons engaged in Commercial or other important pursuits, where *rapidity*, CLEARNESS, and INDELIBILITY of writing, are of the utmost consequence."

The great celebrity obtained by these Books has called forth a number of spurious *Imitations*, which in many cases have been sold to the Public as HARWOOD'S BOOKS. Until the deception is discovered, the fraud is calculated to injure the genuine article, and produce serious disappointment to the purchaser.

A. COWAN & SONS beg to inform the Public that no book is genuine without the *Signature*, "J. HARWOOD," inside the cover.

Harwood's Metallic Memorandum Books are sold by every respectable Stationer in the United Kingdom.

Harwood's Diaries.

These Diaries are arranged on the most approved plans, in very convenient forms, and contain a variety of commercial information and useful tables, which have been this year thoroughly revised and considerably enlarged, and will now be found to be correct up to the date of publication. The Diamond Diary is particularly recommended for its compactness, being adapted for the waistcoat pocket, and for the use of Ladies.

The following is a list of the various descriptions published, their bindings and prices :—

Brief Directions to Executors.

Having caused the Property to be described and valued, take the Inventory with the Will to your Proctor (this should not exceed six months after decease of Testator). In due course the Will is deposited in the Registry, and a copy (the Probate) delivered to you with a Certificate of it having been proved. Then collect the Debts and satisfy all Demands upon the Estate; the latter in conformity with the following order, which shows the precedence required by law:

1. Funeral, Testamentary, and all other expenses incurred in the due execution of the Will.—2. Debts due to the Crown on record or speciality.—3. Debts which by particular statutes are given precedence over others, as Poor-rates and the like.—4. Mortgages, Judgments, Decrees of Chancery, &c.—5. Special Contracts, as Leases, Bonds, and the like.—6. Bills of Exchange, and so forth.—7. Book Debts.—8, and last (usually about 12 months after decease, as the Executor is liable to the claims of all creditors, who seldom fail to declare themselves by that time), the Legacies; first deducting the amount of duty thereon (which must be paid to Government within 21 days), and taking a receipt provided for that purpose by the Stamp Office. Care should be taken not to pay them to parties unqualified to give a proper discharge, a Minor for example, or a Married Woman; in the latter case, the joint receipt of herself and Husband must be taken, unless the Legacy is left for her separate and especial use.

HARWOOD'S
Metallic Memorandum Books,
Of Prepared Paper, with Metallic Pencils.

MANUFACTURED BY A. COWAN AND SONS.

"Invaluable to all Persons engaged in Commercial or other important pursuits, where *rapidity*, CLEARNESS, and INDELIBILITY of writing, are of the utmost consequence."

The great celebrity obtained by these Books has called forth a number of spurious *Imitations*, which in many cases have been sold to the Public as HARWOOD'S BOOKS. Until the deception is discovered, the fraud is calculated to injure the genuine article, and produce serious disappointment to the purchaser.

A. COWAN & SONS beg to inform the Public that no book is genuine without the *Signature*, "J. HARWOOD," inside the cover.

Harwood's Metallic Memorandum Books are sold by every respectable Stationer in the United Kingdom.

Harwood's Diaries.

These Diaries are arranged on the most approved plans, in very convenient forms, and contain a variety of commercial information and useful tables, which have been this year thoroughly revised and considerably enlarged, and will now be found to be correct up to the date of publication. The Diamond Diary is particularly recommended for its compactness, being adapted for the waistcoat pocket, and for the use of Ladies.

The following is a list of the various descriptions published, their bindings and prices:—

Brief Directions to Executors.

Having caused the Property to be described and valued, take the Inventory with the Will to your Proctor (this should not exceed six months after decease of Testator). In due course the Will is deposited in the Registry, and a copy (the Probate) delivered to you with a Certificate of it having been proved. Then collect the Debts and satisfy all Demands upon the Estate; the latter in conformity with the following order, which shows the precedence required by law:

1. Funeral, Testamentary, and all other expenses incurred in the due execution of the Will.—2. Debts due to the Crown on record or speciality.—3. Debts which by particular statutes are given precedence over others, as Poor-rates and the like.—4. Mortgages, Judgments, Decrees of Chancery, &c.—5. Special Contracts, as Leases, Bonds, and the like.—6. Bills of Exchange, and so forth.—7. Book Debts.—8, and last (usually about 12 months after decease, as the Executor is liable to the claims of all creditors, who seldom fail to declare themselves by that time), the Legacies; first deducting the amount of duty thereon (which must be paid to Government within 21 days), and taking a receipt provided for that purpose by the Stamp Office. Care should be taken not to pay them to parties unqualified to give a proper discharge, a Minor for example, or a Married Woman; in the latter case, the joint receipt of herself and Husband must be taken, unless the Legacy is left for her separate and especial use.

HARWOOD'S

Metallic Memorandum Books,

Of Prepared Paper, with Metallic Pencils.

MANUFACTURED BY A. COWAN AND SONS.

"Invaluable to all Persons engaged in Commercial or other important pursuits, where *rapidity*, CLEARNESS, and INDELIBILITY of writing, are of the utmost consequence."

The great celebrity obtained by these Books has called forth a number of spurious *Imitations*, which in many cases have been sold to the Public as HARWOOD'S BOOKS. Until the deception is discovered, the fraud is calculated to injure the genuine article, and produce serious disappointment to the purchaser.

A. COWAN & SONS beg to inform the Public that no book is genuine without the *Signature*, "J. HARWOOD," inside the cover.

Harwood's Metallic Memorandum Books are sold by every respectable Stationer in the United Kingdom.

Harwood's Diaries.

These Diaries are arranged on the most approved plans, in very convenient forms, and contain a variety of commercial information and useful tables, which have been this year thoroughly revised and considerably enlarged, and will now be found to be correct up to the date of publication. The Diamond Diary is particularly recommended for its compactness, being adapted for the waistcoat pocket, and for the use of Ladies.

HARWOOD'S
Metallic Memorandum Books,
Of Prepared Paper, with Metallic Pencils.

MANUFACTURED BY A. COWAN AND SONS.

"Invaluable to all Persons engaged in Commercial or other important pursuits, where *rapidity*, CLEARNESS, and INDELIBILITY of writing, are of the utmost consequence."

The great celebrity obtained by these Books has called forth a number of spurious *Imitations*, which in many cases have been sold to the Public as HARWOOD'S BOOKS. Until the deception is discovered, the fraud is calculated to injure the genuine article, and produce serious disappointment to the purchaser.

A. COWAN & SONS beg to inform the Public that no book is genuine without the *Signature*, "J. HARWOOD," inside the cover.

Harwood's Metallic Memorandum Books are sold by every respectable Stationer in the United Kingdom.

Harwood's Diaries.

These Diaries are arranged on the most approved plans, in very convenient forms, and contain a variety of commercial information and useful tables, which have been this year thoroughly revised and will now be found to be correct up to the date of publication. The Diamond Diary is particularly recommended for its compactness, being adapted for the waistcoat pocket, and for the use of Ladies.

The following is a list of the various descriptions published, their bindings and prices :—

HARWOOD'S

Metallic Memorandum Books,

Of Prepared Paper, with Metallic Pencils.

MANUFACTURED BY A. COWAN AND SONS.

"Invaluable to all Persons engaged in Commercial or other important pursuits, where *rapidity*, CLEARNESS, and INDELIBILITY of writing, are of the utmost consequence."

The great celebrity obtained by these Books has called forth a number of spurious *Imitations*, which in many cases have been sold to the Public as HARWOOD'S BOOKS. Until the deception is discovered, the fraud is calculated to injure the genuine article, and produce serious disappointment to the purchaser.

A. COWAN & SONS beg to inform the Public that no book is genuine without the *Signature*, "J. HARWOOD," inside the cover.

Harwood's Metallic Memorandum Books are sold by every respectable Stationer in the United Kingdom.

Harwood's Diaries.

These Diaries are arranged on the most approved plans, in very convenient forms, and contain a variety of commercial information and useful tables, which have been this year thoroughly revised and will now be found to be correct up to the date of publication. The Diamond Diary is particularly recommended for its compactness, being adapted for the waistcoat pocket, and for the use of Ladies.

The following is a list of the various descriptions published, their bindings and prices :—

HARWOOD'S

Metallic Memorandum Books,

Of Prepared Paper, with Metallic Pencils.

MANUFACTURED BY A. COWAN AND SONS.

"Invaluable to all Persons engaged in Commercial or other important pursuits, where *rapidity*, CLEARNESS, and INDELIBILITY of writing, are of the utmost consequence."

The great celebrity obtained by these Books has called forth a number of spurious *Imitations*, which in many cases have been sold to the Public as HARWOOD'S BOOKS. Until the deception is discovered, the fraud is calculated to injure the genuine article, and produce serious disappointment to the purchaser.

A. COWAN & SONS beg to inform the Public that no book is genuine without the *Signature*, "J. HARWOOD," inside the cover.

Harwood's Metallic Memorandum Books are sold by every respectable Stationer in the United Kingdom.

Harwood's Diaries.

These Diaries are arranged on the most approved plans, in very convenient forms, and contain a variety of commercial information and useful tables, which have been this year thoroughly revised and will now be found to be correct up to the date of publication. The Diamond Diary is particularly recommended for its compactness, being adapted for the waistcoat pocket, and for the use of Ladies.

The following is a list of the various descriptions published, their bindings and prices :—

HARWOOD'S
Metallic Memorandum Books,
Of Prepared Paper, with Metallic Pencils.

MANUFACTURED BY A. COWAN AND SONS.

"Invaluable to all Persons engaged in Commercial or other important pursuits, where *rapidity*, CLEARNESS, and INDELIBILITY of writing, are of the utmost consequence."

The great celebrity obtained by these Books has called forth a number of spurious *Imitations*, which in many cases have been sold to the Public as HARWOOD'S BOOKS. Until the deception is discovered, the fraud is calculated to injure the genuine article, and produce serious disappointment to the purchaser.

A. COWAN & SONS beg to inform the Public that no book is genuine without the *Signature*, "J. HARWOOD," inside the cover.

Harwood's Metallic Memorandum Books are sold by every respectable Stationer in the United Kingdom.

Harwood's Diaries.

These Diaries are arranged on the most approved plans, in very convenient forms, and contain a variety of commercial information and useful tables, which have been this year thoroughly revised and will now be found to be correct up to the date of publication. The Diamond Diary is particularly recommended for its compactness, being adapted for the waistcoat pocket, and for the use of Ladies.

The following is a list of the various descriptions published, their bindings and prices :—

HARWOOD'S

Metallic Memorandum Books,

Of Prepared Paper, with Metallic Pencils.

MANUFACTURED BY A. COWAN AND SONS.

"Invaluable to all Persons engaged in Commercial or other important pursuits, where *rapidity*, CLEARNESS, and INDELIBILITY of writing, are of the utmost consequence."

The great celebrity obtained by these Books has called forth a number of spurious *Imitations*, which in many cases have been sold to the Public as HARWOOD'S BOOKS. Until the deception is discovered, the fraud is calculated to injure the genuine article, and produce serious disappointment to the purchaser.

A. COWAN & SONS beg to inform the Public that no book is genuine without the *Signature*, "J. HARWOOD," inside the cover.

Harwood's Metallic Memorandum Books are sold by every respectable Stationer in the United Kingdom.

Harwood's Diaries.

These Diaries are arranged on the most approved plans, in very convenient forms, and contain a variety of commercial information and useful tables, which have been this year thoroughly revised and will now be found to be correct up to the date of publication. The Diamond Diary is particularly recommended for its compactness, being adapted for the waistcoat pocket, and for the use of Ladies.
