Nominal & descriptive return of wounded after Battle of
Balaklava

6 th Regt	1129	Sgt. Fred Bolton	Fract. Femur. Round Ball. Amputation
Scots Regt	1159	Pt. Thos. Traill	Ball thro' Back to Abdomen - <u>Dead</u>
" "	1223	Corp. Francis Campbell	Ball entered Back of neck & perforated
" "	743	Richard Livingston	Lance cut left side -
6 th Regt	—	John Ralph	Lance wounds. Orbit. Epigastric & lumbar regions
Scots Regt	438	Will. Leggie	Ball thro' infer. Maxilla. Comm. fract. of half of tongue carried away. Fract. humerus.
" "	1130	Wm. McPherson	Sabre scalp wounds. Three - number -
13 th Regt	1122	Joseph Douglass	Fracture right Elbow joint. Necrosis -
Scots Regt	1096	James Watson	Sabre cut left orbit. Lost eye. Fract. nasal bones
13 th Regt	975	Thomas White	Wound of Scalp. (Shell) -
" "	1208	Sgt. Edward Martin	Loss 10 front teeth. Fracture of alveolar process of lower jaw
Scots Regt	1236	Robert Kerr	Punct. Wound left side Chest. Superficial -
8 th Regt	1153	Wm. S. G. Fulton	Shot thro' right hand
Scots Regt	1022	Henry Lochie	Sabre cut right palm of hand. Forearm also
13 th Regt	1466	Henry Maybr	Comm. Fracture inferior Maxilla -
" "	1458	Edmund Walfat	Ball thro' right leg
Scots Regt	1249	William Jackson	Sabre puncture right side posteriorly
20 th	2361	James Litch	<u>Dead</u> Round Ball. Left thigh. Comm. fract.
6 th Regt	—	Sergeant Rich. Jeffries	Sabre cuts. Head. Shoulder. punct. wound left lumbar region -
5 th Regt	859	John Mc Cabe	Sabre cuts. right eye & punct. wounds above parts of body -
17 th Lancers	926	Lumpeter John Brown	Bullet wound thro' thigh (left). Bone un injured
6 th Regt	—	Sgt. Major Alex. Shields	Sabre wound occiput. Bone injured. Punctured wound left side -
8 th Regt	511	Francis Breay	<u>Dead</u> Ball thro' left iliac region out right -
Scots Regt	1206	George Alexander	Bowel protruded - retained reduced - Sabre wound left hand -
17 th Lancers	—	John Andrews	Lacerated wound (shell) left arm -
Scots Regt	633	Scot & Lang	Sabre & lance cuts. over body -
8 th Regt	568	Christopher Spain	Bullet wound left hand -
17 th Lancers	1039	John Bow	Bullet wound thro' of forehead

Scots Greys	1107	Robert Thomson	Round Ball right leg - shattered bone - amputation
8 th Hussars	1222	Joseph Rof	Shell laid open elbow joint of right arm
Scots Greys	647	Richard Foster	Scalp sabre cuts & two in the arms
" "	912	Will. Johnston	Scalp Sabre cuts
" "	1038	Will. Heywood	Lost ring finger of left hand - Ball course
13 th Lancers	1431	John Leitch	Bruise right side (Shell)
5 th Dr.	754	Edward Melone	Lance wounds - Back
" "	1182	William Wilson	Shell wound of knee - right side
17 th Lancers	1145	Henry Carter	Bullet wound thro' cheeks
10 th Regt. Dr.	995	Maillard Noake	Shot - below knee left leg
17 th Lancers	1064	Charles Aldous	Bullet thro' right hand
Scots Greys	616	William Morrison	Bruises
" "	946	James Berthwick	Bullet wound thro' left thigh
" "	907	Serjt. John Kneath	Lance wounds - shoulder & side
" "	360	James Hunter	Scalp. Sabre cuts
" "	947	Serjt. D. Gibson	Sabre cuts
17 th Lancers	1608	Momms Foster	Wounded left thigh (shell piece of)
R. R. Dr.	445	James Blake	Bullet thro' left leg
17 th Lancers	2181	Serjt. Scarfe	Sabre wounds - neck, head & arms
8 th Hussars	1007	Richard Kennedy	Scalp wound (shell)
17 th Lancers	405	Corpl. George Taylor	Lance wound left side - Contusion left shoulder
" "	939	William Pearson	Lance wound left side
8 th Hussars	1014	Will. Ryal	Wound left shoulder - & neck (shell)
17 th Lancers	579	John Duggan	Ball struck left elbow joint - partial injury to bones
Scots Greys	1189	Will. Donaldson	Round Ball - left knee joint - Amput
" "	381	Macadam Galbraith	Lance wound right side - scalp sabre cut

Scots Greys	1079	William Drummond	Bullet thro' face -
" "	1035	Douglas Gavrilner	Round Ball - Fract. Bones leg.
" "	936	William Connel	Ball thro' right arm.
" "		unable to speak.	} Both severely injured face + mouth
" "		Do Do Do	
" "			
1 st Lancs	684	David McNeill	Sabre cuts - in different parts -
13 th Lancers	6097	James Newlon	Bruise right side -
Scots Greys	1170	James Shackell	Lance + Sabre cuts. arm + head -
" "	1008	John Borland	sabre cut right shoulder -
1 st B.R.B.	3376	Capt. George Wright	Bruise Spent Ball Left leg -
Scots Greys	743	Pt. Richard Livingston	Lance wound. Back.
" "	872	Donald Davidson	Fracture of Os calcanei process.
" "	1040	Serjt. James Seurdon	Lost his thumb left hand -
" "	1260	Will. Little	Sabre + Lance cuts.
4 th Lancers	1085	Joseph Gosnell	Injury (Spent Ball) right thigh

Showing the Part & Nature of Injury -

5th November 1862

Part of Wound	No. of Wounds	Nature of Wound	Nature of Operation	Remarks
Head		1 st Scalp wound from wounds dressed piece of shell, also wounded slightly in right hand & chest		
	4	2 nd Fracture of left side of Skull with depression and lesion of membranes of brain from piece of shell	None	
		3 rd Slight wound of scalp bones uninjured	None	
		4 th Scalp wound from explosion of shell -	None	
Face	3	1 st Musket ball penetrated left nose and passed upwards and inwards taking a course in the direction of right orbit and making its exit close to right ear, bones of nose broken but from the extreme tumefaction it could not be ascertained whether the eye was destroyed or not	Wound dressed	
		2 nd Severe wound of right cheek by musket ball or small piece of shell which broke the antrum and made its exit below the lobe of the right ear	None	

Seat of wound	No. of wound Class	Nature of wound	Nature of operation	Remarks
Face	3	Slight wound of face scalp and right hand from explosion of a shell -	wounds dressed	
Back	None	None		
Chest	11	<p>1st - Musket ball entered beneath left nipple, traversed the lungs and made its exit through superior portion of right Scapula.</p> <p>2nd - Musket ball penetrated left side of thorax traversed its diameter and made its exit close to right Axilla.</p> <p>3rd - Musket ball impinged on right side of Chest without penetrating the cavity took an singular course for two inches beneath the integuments and expelled a bottle to the left.</p> <p>4th - Contusion of right side of chest from a spent ball.</p>	<p>wounds dressed</p> <p>Idem</p> <p>Idem</p>	<p>Died soon after the two wounds were included in list of killed.</p> <p>Idem</p>

Locality of Wound	No. of Wounds	Nature of Wound	Nature of Operation	Remarks
Chest	11	5 th Severe flesh wound from a large angular piece of shell which struck below the right scapula did not penetrate the thorax but traversed beneath the integuments to the anterior surface of the chest where it lodged beneath the right nipple	Integuments cut through and piece of shell extracted along with some clothing it had carried in	
		6 th Slight punctured wound of left breast from a bayonet thrust	wounds dressed.	
		Cavity of thorax not injured		
		7 th Flesh wound from a musket ball which removed the skin & cellular tissue over the right pectoral muscle	wound dressed	
		8 th Flesh wound of the right breast and inner surface of arm from a musket ball	Idem	
		9 th Flesh wound of right side of chest beneath the nipple from a musket ball	Idem	
		10 th Musket ball penetrated the cavity of thorax entering below the third rib of right side and lodging	Idem	Died in the course of the night
		11 th Flesh wound of the left side of chest near the axilla	Idem	

Part of Wound	Nature of Wound	Nature of Operation	Remarks
Abdomen	1 st Musket ball penetrates left Hypochondriac region traversed the cavity and passed out close to the Spinal Column at first Lumbar vertebra	Wound dressed	
	2 ^d Musket ball penetrated the abdominal cavity below the edge of the liver fracturing the last rib and taking a downward direction towards the pelvis - the ball appeared to have lodged	Idem	
	3 rd Contusion from a spent musket ball		
Upper Extremities	31 1 st Thick wound of right forearm from a musket ball, arteries uninjured	Idem	
	2 ^d Posterior portion of the left Arm perforated by musket shot. bone un- injured	Idem	
	3 ^d Middle finger of left hand shattered by musket head of bullet shot	Amputated and bone removed	
	4 th Compound and commin- uted fracture of the left Humerus in lower third and extensive laceration of soft parts from explo- sion of a shell	Limb Amputated by the flap opera- tion in upper third	
	5 th Compound and comminuted fracture of middle third of left Arm from musket ball which divided the artery	Limb Amputated in upper third by flap operation	
	6 th Right Arm shattered above the elbow by explosion of a shell - Artery lacerated	Limb Amputated in middle third by flap operation	

List of Cases	No. of Cases	Nature of Wound	Nature of Operation	Remarks
Upper Extremities	31	7 th Musket ball impinged on left breast about an inch above the nipple passed beneath the integuments in an upward direction for about three inches, escaped and hit the left arm on the inner surface close to the head of the humerus shattering the bone and dividing the artery - scarcely any hemorrhage	Limb Amputated at Shoulder joint by the flaps Operation	
		8 th Right hand and portion of wrist carried away by a round shot; flesh much lacerated	Forearm Amputated in the middle third by flap operation	
		9 th Ring and little fingers of left hand broken by musket shot.	The last phalanx of little finger and the 1 st & 2 ^d of ring finger amputated	
		10 th 1 st and 2 ^d fingers of left hand broken below the second the third phalanx by musket shot	Amputated at the third phalanx	
		11 th Two fingers of right hand shattered by musket shot	Amputated at Metacarpal joint	
		12 th Flesh wound of right Arm. from musket ball Artery uninjured	Wound dressed	
		13 th Flesh wound of left arm from musket ball and middle finger of hand broken near the Metacarpal joint	Finger Amputated	
		14 th Flesh wound of right forearm from musket ball	Wound dressed	

Set-off	Wound	Ref. cards	Nature of Wound	Nature of Operation	Remarks
			31 15 th Humerus process of right elbow shattered by a musket ball, flesh much torn, ball did not lodge.	Splinters removed and wound dressed	
			16 th The first and second phalanges of the middle and index fingers of right hand broken by a musket shot	Injured portions of fingers amputated	
			17 th Flesh wound of left arm from a musket shot	Wound dressed	
			18 th Flesh wound of left forearm from musket shot	Idem	
			19 th Middle finger of the right shattered by a musket at metacarpal ball -	Finger amputated at joint	
			20 th Index finger, first and portion of second phalanx broken by musket ball.	Amputated at second joint	
			21 st Flesh wound of the middle finger of right hand	Wound dressed	
			22 nd First and second phalanges of middle and ring finger of left hand broken by musket shot	Injured portions amputated	
			23 rd Bayonet wound of left wrist	Wound dressed	
			24 th Musket ball penetrated at the head of metacarpal bone of thumb of left hand and passed through	Wound dressed	
			25 th Flesh wound of left hand from musket shot	Idem	
			26 th Flesh wound of index finger of right hand from musket shot	Idem	

Upper Extremities

Status of Wound	No. of each Club	Nature of Wound	Nature of Operation	Remarks
Upper Extremities	31	27 th Contusion of left arm		
		from a spent musket shot which rolled into Hospital Tent.		
		28 th Flank wound of right arm	Wound dressed	
		from a musket shot		
		29 th Bayonet wound of the wrist of right hand.	Same	
Upper Extremities		30 th First phalanx of left thumb broken by a musket shot.	Injured portion amputated

from the field

M. D. J. K.
Surgeon 30th Regt

Return of Wounded of the above Regiment
in the Battle on Inkerman Heights on the
5th November 1854. Classified according to regions.

Wounds of Head & Neck

Private Richard Morgan, Scalp wound by musket ball no fracture.
 " John Creighton, Scalp wound by musket ball no fracture.
 " Henry Fletcher, Flesh wound by musket ball over right eye line.
 " Daniel Hayes, Scalp wound of left side of head by musket ball.
 " Thomas Robinson, Musket ball passed through muscles of right side of neck.
 " Thomas McPherson, Scalp wound from musket ball on right side of head, and 3 bayonet wounds, 1 in the neck, back, and left arm, none of them deep.
 Private William Corr Fracture of lower jaw by musket ball "Ball extracted".

Private Daniel Reardon Lacerated wound of scalp, from a musket ball over right frontal sinus, which was slightly depressed.

Private Patrick Wade, Extensive wound of scalp over occiput with profuse haemorrhage, no fracture was detected.

Corporal John Bond, Scalp wound of forehead from musket ball

Wounds of the Chest.

Private John Buck, Flesh wound right side of neck and right shoulder.
 Sergeant James Flier Six Bayonet wounds, two in the neighbourhood of the left mamma, one in the back below the scapula which had wounded the Costal pleura but not the lung, and the other three were flesh wounds in the arms.

Private Thomas Robinson, Flesh wound of back from musket ball.

Corporal Henry Walsh, Three Bayonet wounds, one in left side of chest and one in left shoulder and arm.

Private John Richards, Dangerous Contusion from large shot between the shoulders.

Private John Maddigan, Flesh wound of right Breast by musket ball.

" Charles Smullen, Flesh wound of right Breast by musket ball.

" Denis Connell, Musket ball entered over centre of right Shoulder blade and passing over the skin directly across the spine, exited precisely in the same spot in opposite shoulder blade.

Private James Cummings, Flesh wound right side of chest.

" John Handwright, Ball entered right breast & passing across the chest exited at the left breast "no injury to bone".

Private Edward Jenkins, Flesh wound right side of chest.

Wounds of the Abdomen

" Robert Meloman, Musket ball fractured posterior crest of Ilium, and passing under the skin lodged to left of umbilicus, from whence it was extracted.

Private William Kennedy, Musket ball entered below and to

the left side of umbilicus, and rested at back, intestines and peritoneum protruded and were returned, but he died in 2 hours.
Private John Wilson. Contusion of left side of Abdomen and left shoulder.

Private William Martin. Flesh wound right side of Belly.

— " — Michael Dugan. Musket ball passes from one lumbar region to the other, fracturing Spinous process in 9th & 11th dorsal vertebrae.

Sgt. Major John Sponcer. Shot through Abdomen and died in 2 hours.

Captain Rowlands. Flesh wound upper part of right arm.

Wounds of upper extremities

— " — Bligh. Flesh wound right forearm. Ball passes close to, but did not fracture ulna.

Captain Meredith. Flesh wound right hand. Musket ball passes through muscles, between the metatarsal bone of thumb and four fingers, without injuring either —

Lieut. Bush. Musket ball fractured os humeri process of left arm and passed out above it.

Private James Glinn. Flesh wound left arm.

— " — Thomas Tenny. Laceration of forefinger of left hand " bones fractured "

Private Noah Chequin. Left arm carried away by round shot, amputated below shoulder.

Private Daniel Mahony. Severe contusion of right shoulder.

— " — John Mitchell. Flesh wound through shoulder and deep bayonet wound in back.

Private William Carroll. Flesh wound through right shoulder.

— " — Christ. Martin. Flesh wound through left arm.

— " — Thomas McCarthy. Slight wound of first middle finger of left hand.

Private William Mawson. Flesh wound in left arm.

Sergeant Thomas Challen. Slight flesh wound in right hand and left foot from splinters of shell.

Private James Walsh. Flesh wound right wrist.

— " — Matthew Lewis. Middle finger of right hand smashed & "Amputated"

Private John Thomas. Flesh wound left hand.

Corporal Patrick Walsh. Flesh wound right arm.

Private William Gregg. Flesh wound left arm.

— " — Henry Henderson. Flesh wound left arm.

— " — John Kelly. Flesh wound left arm.

— " — Timothy Sweeney. Slight flesh wound of ring & little finger left hand.

Private Michael Murphy. Flesh wound left arm.

— " — William Bragg. Flesh wound of right arm.

- Private James Downes. Flesh wound right arm.
 — " — Luke Connell. Flesh wound right wrist.
 — " — James Smith. Flesh wound left shoulder.
 — " — John Golligher. Flesh wound left index finger.
 Corporal William Crawford. Contusion of right shoulder.
 Private Patrick Butler. Flesh wound left hand.
 — " — Edmund Snyder. Extensive laceration of left arm
 and another deep laceration in axilla.
 Private James O'Neil. Contusion of left arm and side.
 — " — John Ellis. Contusion of left arm.
 — " — Simon Doherty. Slight flesh wound middle finger left hand.
 — " — John Sevell. Flesh wound right shoulder.
 Sergeant David Bolger. Flesh wound ring finger left hand.
 Private Walter Cullens. Flesh wound ring finger left hand.
 — " — Benjⁿ Hall. Contusion of right arm.
 — " — John White. Flesh wound left arm.
 — " — John Shaughnessy. Flesh wound left arm.
 — " — William Connors. Flesh wound left side.

Wounds of lower extremities. Lieut: Col: Carpenter. Flesh wounds of left thigh, a musket ball entered back on left side a little above the articulation between the sacrum and ilium, fractured a considerable portion of the posterior crest of the ilium, from whence it could not be traced; ~~had~~ also contusion about the nose and chin, and some teeth loose from a blow of a musket. He lived 15 hours.

- Lieut: Fitzroy. Flesh wound right thigh.
 — " — Adj^t: Johnston. Severe contusion of left heel.
 Private John Jenkins. Both bones of right leg comminuted with extensive laceration in the soft parts, also bayonet wound in back, "right leg amputated below knee."
 Private John Miles. Flesh wound in right thigh.
 — " — John Sutcliffe. Contusion of left leg and thigh.
 Drummer William Read. Flesh wound right foot.
 Sergeant James Jones. Flesh wound right thigh.
 Drummer Michael Carbery. Flesh wound left leg.
 Private Thomas Vincent. Contusion of left ankle.
 — " — William Banton. Flesh wound in right thigh.
 — " — James Moore. Flesh wound right hip.
 — " — Charles Murphy. Contusion of left leg.
 — " — Lawrence Mulligan. Flesh wound left hip & thigh.
 — " — John Crawley. Flesh wound right leg.
 — " — James McMahon. Flesh wound left leg.
 — " — Michael Quinn. Flesh wound left ankle.

Private Richard Costerham Contusion left leg
 — " — Thomas Smith Contusion left leg.
 — " — Martin Tuxton Flesh wound left leg.
 — " — John Wilson Flesh wound left knee
 — " — John O'Brien Contusion left hip
 — " — Denis Lynch Flesh wound right thigh
 — " — William Yates Flesh wound right leg & hip.
 — " — Thomas Jones Flesh wound right thigh.
 Corporal Michael Carroll Head of tibia slightly fractured.
 Private Martin Power Flesh wound right leg.
 — " — David Dawson Flesh wound right thigh.
 — " — Patrick Heare Flesh wound right leg.
 — " — Henry Sully Contusion of left leg.
 — " — William Gaty Flesh wound left leg.
 — " — Patrick Leary Flesh wound right thigh,
 femur fractured.
 Private William Rigby Contusion left foot.
 — " — George McGuire Flesh wound right leg
 — " — Thomas Duffy Flesh wound left foot.
 — " — Michael Perry Musket ball through
 right thigh fracturing the bone.
 Private John Lawler Flesh wound left leg.
 Corporal Daniel Lee Musket ball passed through
 right thigh, fracturing the bone.
 Private Joseph Wilson Musket ball passed
 through left knee fracturing patella and
 external condyle of femur.
 Private Michael Maddigan Flesh wound
 of left foot.
 Private John Browne Contusion of right thigh.
