## Faithful Healer -

90 ʒ of oil

5 lbs of sweet oil - 3 lbs of golden  
Larye in powder - 1 1/2 lbs Virgin  
Wax White Resin ʒ ʒ ʒ -

Put the oil into a glazed earthen  
pan with a glass of Lob. Now add  
the Larye - boild over a slow  
fire or charcoal stove. in two  
hours add the Wax.

In two hours more the Resin  
Keeping it always boiling

and stirring it continually with  
a wooden spoon,

It will spat with any other

Two hours afterwards try if the distill:  
is made by letting a drop fall

from the spoon on something cold

If the drop remains of a perfect

Consistency it is boiled enough

if not but it will be in firm.

Aug 23<sup>rd</sup> 1882

Armenians or Jewellers Cement  
Dissolve 5 or 6 bits of gum musk the size of  
Lungs pen in as much SRR as will  
Suffice to render it liquid; in a separate  
Vessel dissolve as much isinglass (previously  
softened in water, though none of the water  
must be used) in Turps, or other Spirit as  
will make a Zi phant of very heavy glue adding  
2 small pieces of gum ammoniac which must  
be rubbed or ground till they are dissolved; then

mix the whole & sufficient Lent, keep it in  
 a phial closely stoppered & when it is to  
 be used set the phial in boiling water  
 The preceding is also effectual in urinary  
 almost all substances, even glass &  
 polished steel.

## Ear Lintiment.

Dissolve a handful of kitchen Suet in a  
 tumbler of water & set aside - Take  
 about a wney lump of Cayenne Ammon  
 powder & through a funnel into a clean  
 quart or wine bottle - In quickly a half  
 wney lump of Camphorated spirit.  
 Cork and shake the bottle open and add  
 the sweet water that you have in the  
 tumbler - Cork and shake again  
 & fill up with water - Take care not to make  
 the Ammonia when making. Reduce it a little  
 by adding water to use for the forehead
