For the Plot in Sheep

Give to each sheep one spoonful of <sup>what</sup> ~~the~~

of Sulfur mixed with two of water

after fasting 12 hours. Give them 3

over staying 6 Days between each

Dose, this has been used with success even

in cases where the wool has been nearly all

gone and the throat terribly swollen.

For the Blood, shed water, or chicken in

sheep or lambs.

As soon as you perceive them taken ill

take them from grass and feed them

give a Symplicet when as possible and if

there is no evacuation in a short time

repeat the Symplicet. Give 2 or 3 grains of

Stear of emetic and repeat the Blood

ing if they do not soon get better. Give two

much during the time they are kept up

down to grass by degrees.

For the Stone in Cancer  
It is generally applied at the end of  
October or the beginning of Nov-  
ember in the month of Cancer.  
Take Rue, Wormwood, Lavender Cotton  
a few heads of Garlic & a little Camphire  
very small, add to it Flour of burnt Stone,  
Sapientia and Elecampane in powder each  
half an Ounce. beat together in a Mortar  
then take it off the fire and let it stand  
till much vacuum for one Gall, give it  
a horn with about a Stale whey of  
Barbadoes for an every Night put  
taking about one quart of Blood from  
each Gall, put a little Sea upon them  
Nover, on their Lome and Rile for them  
to Rich.  
N.B. The Ingredients to be given without  
the Office except too thick, use the Stone  
sparingly and with care.

My dear Mr. Jackson  
I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the purchase of the land for the purpose of building a school house for the colored people of the city of Washington. I am very glad to hear that you are so interested in the welfare of the colored people, and I am sure that the land will be purchased and the school house built as soon as possible. I am, Sir, very respectfully,
