THURSTON, C.W.

'08/'10

Harro on the Hill.

28th September 1910.

Dear Mr. Thurston,

I regret that absence abroad has prevented me communicating with you before in reply to your letter of 20th June. You said at that time that you expected to have some of your pictures on view in London. I shall be glad to hear from you when they arrive if you will kindly let me know.

With reference to your picture "Nature and Science" on the first opportunity I will have a photograph of it made for you. When taking over the picture from you I never got an assignment of the copyright, but only an agreement of assignment. I shall therefore be much obliged if you will sign the enclosed to complete the matter, and return it to me at your early convenience.

Faithfully yours,

C.J.S.T.

C. W. Thurston Esq.

Harrow on the Hill.

Dear Mr. Thurston,

Thanks for your letter of 20th inst. from which I am pleased to learn that you are in London.

When the Exhibition of your paintings is arranged, I shall be pleased to know, and will not fail to pay it a visit.

Faithfully yours,

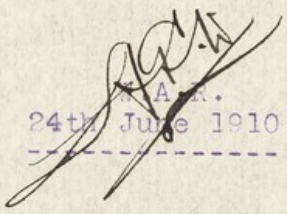

C. S. H.

Mr C.J.S.Thompson

Mr Thurston's letter to you of 20th June is returned herewith. Will you kindly send an acknowledgment and say that you will call upon him at some convenient time a little later. with the form of assignment which requires his signature.

In the course of a day or two I will let you have the document that is to be signed.

Dear Mr. Thompson:

At present I am a citizen of Boston, America. I do not believe that an up to date thinker should be a citizen of any one Country but a Citizen of all the World.

The title of the Picture is Nature and Science, but in the Salon catalogue it was wrongly called "Verite et Erreur". This picture lacked three votes of being purchased by the French Government.

In another Month I expect to have some of my paintings here in England and as I expect to remain here for some time, I will write to you and have you see my work.

If you ever get a good photograph of the picture Nature and Science I would like a copy, as I am without any reproduction but the one that came out in the London Sketch.

Very sincerely,

Charles W. Shurston

To Mr Henry Solomon Wellcome,
Snow Hill Buildings,
London, E.C.

In consideration of the sum of One thousand five hundred francs which you have paid to me for the picture entitled "Vérité et Erreur", the receipt of which sum I hereby acknowledge, I hereby agree to assign to you as and when required the exclusive copyright and all rights and interest for all countries in the picture entitled "Vérité et Erreur."

I also hereby undertake to sign any and all documents which may be necessary or desirable to protect such copyright and all rights and interest above referred to.

I think the above agreement will do for the moment, but more will be required. If the artist is "a British subject or resident within the dominions of the Crown" (see 25 c 26 Vict. c. 68 no 1), an assignment can be taken and the copyright entered at Stationers Hall in Mr Wellcome's name as proprietor under that act. If the artist is a subject of one of the countries of the Copyright Union, resident in such country, the matter will be governed by the International Copyright Act 1886 (49 c 50 Vict. c 33) incorporating the Berne Convention, and in order to obtain British copyright it will be necessary first to comply with the requirements of the country of origin, e.g. France (Art 2 of Convention) It is to meet this possibility that I have made the document an agreement and not an assignment, so that if required the artist may take the necessary steps in France and then transfer the copyright to Mr Wellcome.
