"I NEVER TRAVEL WITHOUT"

Fry's Cocoa

PURE
CONCENTRATED
& MILK CHOCOLATE

OF WORLD-WIDE REPUTATION.

J. S. FRY & SONS LTD.

"Are the oldest firm of Chocolate and Cocoa Manufacturers, Letters Patent having been granted to them by King George II, in 1729. They employ over 4600 hands and hold more than 300 Grands Prix, Gold Medals and Diplomas, and in the course of their long history of nearly two hundred years have received many marks of Royal favour. Her late Majesty Queen Victoria in the early part of her reign appointed them by Special Warrant Manufacturers of Chocolate and Cocoa to the Royal House of England, and His Majesty King Edward VII, whose Warrant as Prince of Wales they held for nearly forty years, confirmed the appointment after he ascended the Throne. Her Majesty Queen Alexandra and H.R.H. the Prince of Wales have likewise honoured them with Their Royal Briefs, as have also Their Majesties the King and Queen of Spain, and Their Majesties the King and Queen of the Hellenes. A similar mark of Royal favour came long ago from France, when in 1867 the late Emperor Napoléon by a Special Brevet, issued at the Palace of the Tuileries, appointed them Manufacturers of Chocolate and Cocoa to the Imperial House, and they still have the honour—one that they prize very highly—of numbering Her Imperial Majesty the Empress Eugénie among their illustrious patrons. This record of Honours is as magnificent as it is unique, and the historic firm deserve to be congratulated upon their success, and still more upon the high methods through which it was obtained."—*The Times*.
