The beneficial delights of "passive" exercise can be yours at the turn of a switch.

Savage has set the style in Health Motors by building beauty in color and line into the smooth, quiet-running Model-B from which the "machine appearance" has been entirely eliminated.

# A SAVAGE HEALTH MOTOR FOR EVERY PURSE PERSON AND PURPOSE

**M**ECHANICAL massage and vibratory manipulation is accepted by physicians, physical and beauty culturists as the ideal exercise for building up and maintaining health and also for removing excess fat.

Savage was the first to bring this exercise within the means of the majority of people by its introduction of the compact, portable exerciser at low price. And now Savage introduces the—
