i love my boo.

**We're about trust, respect
and commitment.**

Safer sex is one way we show our love.

When we met it was all about the sex. He's got the nicest lips and a beautiful ass. But what really got me was how he came at me with respect. It just made me want to open myself up and love him. He is real sexy and we have the hottest sex I've ever had! That's wassup. The most important thing is I know I can count on him.

i love
my boo.
