i love my boo.

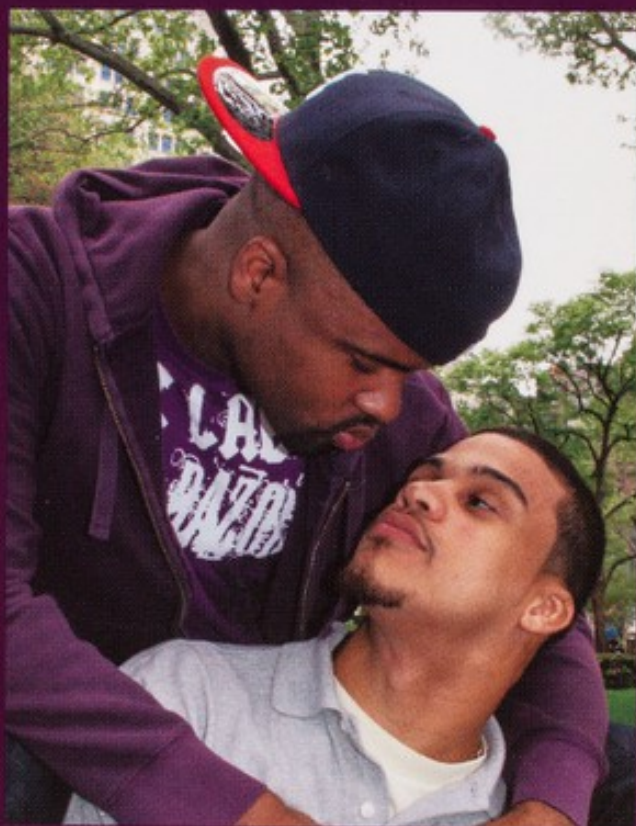

**We're about trust, respect
and commitment.**

We're PROUD of who we are and how we LOVE.

My boo loves to kiss and hold hands in public. I feel safe enough with him to not care about what other people think. We know that it's not safe for us to do this in all spaces. Homophobic people are out there but I'm not going to let fear limit how I show my love.
