STOP

AIDS

NOW!

Some things you should know about us...

We believe in joint action

STOP AIDS NOW! is a partnership of Aids Fonds and four Dutch development organisations: Cordaid, Hivos, ICCO and Oxfam-Novib. Our mission is "working together towards a world without AIDS".

We envisage a better and expanded response

We work on expanding and enhancing the quality of the Dutch contribution to the AIDS response in developing countries. So far we have raised more than 90 million Euros. Besides we stimulate and support innovative initiatives. Our 'Learning by Doing' method, for instance, has resulted in several valuable new approaches and tools.

We make a difference

Our projects and programmes focus on children, youth, and women in countries hardest hit by the epidemic. Annually, we reach around 400,000 people who are affected by HIV and AIDS. We offer care, treatment and income opportunities for AIDS affected communities and slow down HIV and AIDS through prevention.
