PUBLISHERS' NOTE.

THE Public Health Act, 1875, has now been just fourteen years in force, and, in this period, many Statutes relating to sanitary matters have been passed. None of these have been of great length, but most of them are of considerable importance, especially to Sanitary Authorities.

An Edition of the Statute, with an index, was issued in 1876 by the Publishers of this volume, and several reprints have been found needful, showing that the work has proved useful. The Statute, together with the other Statutes referred to, have now been reprinted, with a revised index, which, by a fresh mode of reference, has been extended to the whole.

For an exposition of the whole Law relating to Public Health and Local Government, the reader is referred to the Work of Mr. W. Cunningham Glen, late Principal of the Legal Department of the Local Government Board, and Mr. Alexander Glen, M.A., LL.B., Barristers-at-Law ; the Tenth Edition of which is issued by the present Publishers, and may be obtained direct from them, or through any Bookseller.

Provided, that any person who may feel himself aggrieved by any such amendment shall have the same right of appeal therefrom as he would have had if the matter of amendment had appeared on the rate originally made, and with respect to him an amended rate shall be considered to have been made at the time when he first received notice of the amendment; and an amended rate shall not be payable by any person the amount of whose rate is increased by the amendment, or whose name is thereby newly inserted until seven days after such notice has been given to him.

All rates, contributions, and sums of money which may become payable under this Act by the said universities respectively, and their respective halls and colleges, may be recovered from such universities halls and colleges in the same manner in all respects as rates contributions and sums of money may now be recovered from them by virtue of such local Act.

Where the rural authority make any sewers or provide any water supply or execute any other work under this Act for the common benefit of any two or more contributory places within their district, they may apportion the expense of constructing any such work, and of maintaining the same, in such proportions as they think just, between such contributory places, and any expense so apportioned to any such contributory place shall be deemed to be special expenses legally incurred in respect of such contributory place.

The overseers of any contributory place, if aggrieved by any such apportionment, may, within twenty-one days after notice has been given to them of the apportionment, send or deliver a memorial to the Local Government Board stating their grounds of complaint, and the said Board may make such order in the matter as to it may seem equitable, and the order so made shall be binding and conclusive on all parties concerned.

General expenses shall be payable out of a common fund to be raised out of the poor rate of the parishes in the district according to the rateable value of each contributory place in manner in this Act mentioned.

Special expenses shall be a separate charge on each contributory place.

The following areas situated in a rural district shall be contributory places for the purposes of of this Act ; (that is to say,)

- (4.) In the case of a parish a part of which is situated within an urban district, such portion of that parish as is not comprised within such urban district, or within any such special drainage district as aforesaid.

Mode of Raising Contributions in Rural District.

230. For the purpose of obtaining payment from the several contributory places within their district of the sums to be contributed by them, the rural authority shall issue their precept to the overseers of each such contributory place requiring such overseers to pay, within a time limited by the precept, the amount specified in such precept to the rural authority or to some person appointed by them, care being taken to issue separate precepts in respect of contributions for general

expenses and special expenses, or to make such expenses respectively separate items in any precept including both classes of expenses.

Where a contributory place is part of a parish as defined by this Act, the overseers of such parish shall for the purposes of this Act be deemed to be the overseers of such contributory place, and where any part of a contributory place is part of a parish the overseers of such parish shall for the like purposes be deemed to be the overseers of such part of such contributory place.

The overseers shall comply with the requisitions of such precept by paying the contribution required in respect of general expenses out of the poor rate of their respective parishes, and with respect to special expenses by raising the contribution required by the levy (in the case of an entire parish on the whole of such parish, and in the case of a contributory place or part of a contributory place forming part of a parish, by the levy on such place, or such part thereof, exclusive of the rest of the parish) of a separate rate in the same manner as if it were a rate for the relief of the poor, with this exception ; (namely,)

That the owner of any tithes, or of any tithe commutation rent-charge, or the occupier of any land used as arable meadow or pasture ground only, or as woodlands market gardens or nursery grounds, and the occupier of any land covered with water, or used as a canal or towing-path for the same, or as a railway constructed under the powers of any Act of Parliament for public conveyance, shall, where a special assessment is made for the purpose of such rate, be assessed in respect of one fourth part only of the rateable value thereof, or where no special assessment is made, shall pay in respect of the said property one fourth part only of the rate in the pound payable in respect of houses and other property :

Provided that where the amount required by any precept or precepts from a contributory place in respect of special expenses is less than ten pounds, or is so small that a rate less than one penny in the pound would be required to raise the same, the overseers shall not assess and levy any special rate for the same, but shall pay the amount as if it formed part of the contribution required from them in respect of general expenses.

A separate rate under this section shall, as respects the powers of the overseers in relation to making assessing and levying such rate, and as respects the appeal against such rate, and all other incidents thereof except the purposes to which it is applicable, and such exemption as aforesaid, and except the allowance of justices, which shall not be required, be subject to the same provisions as apply in law to a rate levied for the relief of the poor ; and the overseers of a parish shall have the same powers of levying such separate rate in a contributory place or part of a contributory place forming part of their parish, as they would have if such contributory place or such part thereof formed the whole of their parish.

Where a contribution for general expenses is required from a contributory place or part of a contributory place which is part of a parish, the overseers shall from time to time levy such increase of rate from

the contributory place or such part thereof as may be sufficient to recoup the parish for the sum it has paid on account of the contributory place or such part thereof in respect of general expenses under this Act, and carry the same to the general account of the parish, and such increase of rate shall be raised in such contributory place or part of a contributory place by an addition to the poor rate, or by a separate rate to be assessed made allowed published collected and levied in the same manner as a poor rate. The officers ordinarily employed in the collection of the poor rate shall, if required by the overseers, collect any separate rate made under this section, and receive out of such separate rate such remuneration for the additional duty as the overseers with the consent of the vestry may determine.

The overseers shall at the expiration of their term of office pay any surplus in their hands arising from any separate rate levied in pursuance of this Act, above the amount for which the rate was made, to the rural authority or to such person as they may appoint, to the credit of the contributory place within which or within part of which such rate was made, and such surplus shall go in reduction of the next call that may be made on such contributory place or such part thereof for the purpose of defraying the expenses incurred by the rural authority.

Remedy for Non-payment by Overseers of Amount required by Precept of Rural Authority.

231. If the amount required by any precept of a rural authority to be paid by the overseers of any parish is not paid in manner directed by such precept, and within the time therein specified for that purpose, the rural authority shall have the like remedy for recovery from the overseers of such amount as is not paid as guardians have for the time being for recovery from overseers of contributions of parishes, and for that purpose the precept of the rural authority requiring the payment shall be conclusive evidence of the amount thereof.

As to Private Improvement Expenses.

232. Whenever a rural authority have incurred or become liable to any expenses which by this Act are, or by such authority may be declared to be private improvement expenses, such authority may make and levy a private improvement rate in the same manner as private improvement rates may be made and levied by an urban authority; and all the provisions of this Act applicable to private improvement rates leviable by an urban authority shall apply accordingly to any private improvement rate leviable by a rural authority.

Districts may be United for appointing a Medical Officer of Health.

302. Any principal money or interest for the time being due in respect of any loan under this Act made for payment of the expenses incurred or to be incurred in the performance of the duty of a defaulting local authority shall be taken to be a debt due from such authority, and, in addition to any other remedies, may be recovered in the manner in which a debt due from a defaulting authority may be recovered in pursuance of the provisions of this part of this Act.

The surplus (if any) of any such loan, after payment of the expenses aforesaid, shall, on the amount thereof being certified by the Local Government Board, be paid to or to the order of the defaulting authority.

3. Every person who causes to fall or flow or knowingly permits to fall or flow or to be carried into any stream any solid or liquid sewage matter, shall (subject as in this Act mentioned) be deemed to have committed an offence against this Act.

Where any sewage matter falls or flows or is carried into any stream along a channel used, constructed, or in process of construction at the date of the passing of this Act for the purpose of conveying such sewage matter, the person causing or knowingly permitting the sewage matter so to fall or flow or to be carried shall not be deemed to have committed an offence against this Act if he shows to the satisfaction of the court having cognisance of the case that he is using the best practicable and available means to render harmless the sewage matter so falling or flowing or carried into the stream.

Where the Local Government Board are satisfied after local inquiry that further time ought to be granted to any sanitary authority, which at the date of the passing of this Act is discharging sewage matter into any stream, or permitting it to be so discharged, by any such channel as aforesaid, for the purpose of enabling such authority to adopt the best practicable and available means for rendering harmless such sewage matter, the Local Government Board may by order declare that this section shall not, so far as regards the discharge of sewage matter by such channel, be in operation until the expiration of a period to be limited in the order.

Any order made under this section may be from time to time renewed by the Local Government Board, subject to such conditions, if any, as they may see fit.

A person other than a sanitary authority shall not be guilty of an offence under this section in respect of the passing of sewage matter into a stream along a drain communicating with any sewer belonging to or under the control of any sanitary authority, provided he has the sanction of the sanitary authority for so doing.

PART III.

LAW AS TO MANUFACTURING AND MINING POLLUTIONS.

Prohibition as to Drainage into Streams from Manufactories.

4. Every person who causes to fall or flow or knowingly permits to fall or flow or to be carried into any stream any poisonous, noxious, or polluting liquid proceeding from any factory or manufacturing process shall (subject as in this Act mentioned) be deemed to have committed an offence against this Act.

Where any such poisonous, noxious, or polluting liquid as aforesaid falls or flows or is carried into any stream along a channel used, constructed, or in process of construction at the date of the passing of this Act, or any new channel constructed in substitution thereof, and having its outfall at the same spot, for the purpose of conveying such liquid, the person causing or knowingly permitting the poisonous, noxious, or polluting liquid so to fall or flow or to be carried shall not be deemed to have committed an offence against this Act if he shows to the satisfaction of the court having cognisance of the case that he is using the best practicable and reasonably avail-

able means to render harmless the poisonous, noxious, or polluting liquid so falling or flowing or carried into the stream.

Prohibition as to Drainage into Stream from Mines.

5. Every person who causes to fall or flow or knowingly permits to fall or flow or to be carried into any stream any solid matter from any mine in such quantities as to prejudicially interfere with its due flow, or any poisonous, noxious, or polluting solid or liquid matter proceeding from any mine, other than water in the same condition as that in which it has been drained or raised from such mine, shall be deemed to have committed an offence against this Act, unless in the case of poisonous, noxious, or polluting matter he shows to the satisfaction of the court having cognisance of the case that he is using the best practicable and reasonably available means to render harmless the poisonous, noxious, or polluting matter so falling or flowing or carried into the stream.

Restriction on Proceedings under this Part of the Act.

6. Unless and until Parliament otherwise provides the following enactments shall take effect, proceedings shall not be taken against any person under this part of this Act save by a sanitary authority, nor shall any such proceedings be taken without the consent of the Local Government Board: Provided always, that if the sanitary authority, on the application of any person interested alleging an offence to have been committed, shall refuse to take proceedings or apply for the consent by this section provided, the person so interested may apply to the Local Government Board, and if that Board on inquiry is of opinion that the sanitary authority should take proceedings, they may direct the sanitary authority accordingly, who shall thereupon commence proceedings.

The said Board in giving or withholding their consent shall have regard to the industrial interests involved in the case and to the circumstances and requirements of the locality.

The said Board shall not give their consent to proceedings by the sanitary authority of any district which is the seat of any manufacturing industry, unless they are satisfied, after due inquiry, that means for rendering harmless the poisonous, noxious, or polluting liquids proceeding from the processes of such manufactures are reasonably practicable and available under all the circumstances of the case, and that no material injury will be inflicted by such proceedings on the interests of such industry.

Any person within such district as aforesaid, against whom proceedings are proposed to be taken under this part of this Act, shall, notwithstanding any consent of the Local Government Board, be at liberty to object before the sanitary authority to such proceedings being taken, and such authority shall, if required in writing by such person, afford him an opportunity of being heard against such proceedings being taken, so far as the same relate to his works or manufacturing processes. The sanitary authority shall thereupon allow such person to be heard by himself, agents, and witnesses, and after

inquiry such authority shall determine, having regard to all the considerations to which the Local Government Board are by this section directed to have regard, whether such proceedings as aforesaid shall or shall not be taken; and where any such sanitary authority has taken proceedings under this Act, it shall not be competent to other sanitary authorities to take proceedings under this Act till the party against whom such proceedings are intended shall have failed in reasonable time to carry out the order of any competent court under this Act.

PART IV.

ADMINISTRATION OF LAW.

Sanitary Authority to afford Facilities for Factories Draining into Sewers.

7. Every sanitary or other local authority having sewers under their control shall give facilities for enabling manufacturers within their district to carry the liquids proceeding from their factories or manufacturing processes into such sewers :

Provided that this section shall not extend to compel any sanitary or other local authority to admit into their sewers any liquid which would prejudicially affect such sewers or the disposal by sale, application to land, or otherwise, of the sewage matter conveyed along such sewers, or which would from its temperature or otherwise be injurious in a sanitary point of view :

Provided also, that no sanitary authority shall be required to give such facilities as aforesaid where the sewers of such authority are only sufficient for the requirements of their district, nor where such facilities would interfere with any order of any court of competent jurisdiction respecting the sewage of such authority.

Power of Sanitary Authority to enforce Act.

8. Every sanitary authority shall, subject to the restrictions in this Act contained, have power to enforce the provisions of this Act in relation to any stream being within or passing through or by any part of their district, and for that purpose to institute proceedings in respect of any offence against this Act which causes interference with the due flow within their district of any such stream, or the pollution within their district of any such stream, against any other sanitary authority or person, whether such offence is committed within or without the district of the first-named sanitary authority.

Any expenses incurred by a sanitary authority in the execution of this Act shall be payable as if they were expenses properly incurred by that authority in the execution of the Public Health Act, 1875.

Proceedings may also, subject to the restrictions in this Act contained, be instituted in respect of any offence against this Act by any person aggrieved by the commission of such offence.

II.] *The Rivers Pollution Prevention Act, 1876.*

Power of Lee Conservancy Board to enforce Act.

9. The Conservancy Board constituted under the Lee Conservancy Act, 1868, shall within the area of their jurisdiction, have, to the exclusion of any other authority, the powers for enforcing the provisions of this Act which sanitary authorities have under this Act.

The said Conservancy Board may also enforce the provisions of the Lee Conservancy Act, 1868, under the head or division "Protection of Water," by application to the county court having jurisdiction in the place in which any offence is committed against those provisions, and such court may by summary order require any person to abstain from the commission of any such offence, and the provisions of this Act with respect to summary orders of county courts and appeals therefrom shall apply accordingly.

LEGAL PROCEEDINGS. SAVING CLAUSES. DEFINITIONS.

(1.) LEGAL PROCEEDINGS.

Offences to be Restrained by Summary Order of County Court.

10. The county court having jurisdiction in the place where any offence against this Act is committed may by summary order require any person to abstain from the commission of such offence, and where such offence consists in default to perform a duty under this Act may require him to perform such duty in manner in the said order specified; the court may insert in any order such conditions as to time or mode of action as it may think just, and may suspend or rescind any order on such undertaking being given or condition being performed as it may think just, and generally may give such directions for carrying into effect any order as to the court seems meet. Previous to granting such order the court may, if it think fit, remit to skilled parties to report on the "best practical and available means" and the nature and cost of the works and apparatus required, who shall in all cases take into consideration the reasonableness of the expense involved in their report.

Any person making default in complying with any requirement of an order of a county court made in pursuance of this section shall pay to the person complaining, or such other person as the court may direct, such sum, not exceeding fifty pounds a day for every day during which he is in default, as the court may order; and such penalty shall be enforced in the same manner as any debt adjudged to be due by the court; moreover, if any person so in default persists in disobeying any requirement of any such order for a period of not less than a month or such other period less than a month as may be prescribed by such order, the court may in addition to any penalty it may impose appoint any person or persons to carry into effect such order, and all expenses incurred by any such person or persons to such amount as may be allowed by the county court shall be deemed to be a debt due from the person in default to the person or persons executing such order, and may be recovered accordingly in the county court.

II. If either party in any proceedings before the county court under this Act feels aggrieved by the decision of the court in point of law or on the merits, or in respect of the admission or rejection of any evidence, he may appeal from that decision to the High Court of Justice.

The appeal shall be in the form of a special case to be agreed upon by both parties or their attorneys, and, if they cannot agree, to be settled by the judge of the county court upon the application of the parties or their attorneys.

The court of appeal may draw any inferences from the facts stated in the case that a jury might draw from facts stated by witnesses.

Subject to the provisions of this section, all the enactments, rules, and orders relating to proceedings in actions in county courts, and to enforcing judgments in county courts and appeals from decisions of the county court judges, and to the conditions of such appeals, and to the power of the superior courts on such appeals, shall apply to all proceedings under this Act, and to an appeal from such action, in the same manner as if such action and appeal related to a matter within the ordinary jurisdiction of the court.

Any plaint entered in a county court under this Act may be removed into the High Court of Justice by leave of any judge of the said High Court, if it appears to such judge desirable in the interests of justice that such case should be tried in the first instance in the High Court of Justice and not in a county court, and on such terms as to security for and payment of costs, and such other terms (if any) as such Judge may think fit.

Certificate of Inspector of Local Government Board as to best Practicable means.

12. A certificate granted by an inspector of proper qualifications appointed for the purposes of this Act by the Local Government Board to the effect that the means used for rendering harmless any sewage matter or poisonous, noxious, or polluting solid or liquid matter falling or flowing or carried into any stream, are the best or only practicable and available means under the circumstances of the particular case, shall in all courts and in all proceedings under this Act be conclusive evidence of the fact; such certificate shall continue in force for a period to be named therein, not exceeding two years, and at the expiration of that period may be renewed for the like or any less period.

All expenses incurred in or about obtaining a certificate under this section shall be paid by the applicant for the same.

Any person aggrieved by the grant or the withholding of a certificate under this section may appeal to the Local Government Board against the decision of the inspector; and the Board may either confirm, reverse or modify his decision, and may make such order as to the party or parties by whom the costs of the appeal are to be borne as to the said Board may appear just.

II.] *The Rivers Pollution Prevention Act, 1876.*

Proceedings shall not be taken under this Act against any person for any offence against the provisions of Parts II. and III. of this Act until the expiration of twelve months after the passing of this Act, nor shall proceedings in any case be taken under this Act for any offence against this Act until the expiration of two months after written notice of the intention to take such proceedings has been given to the offender, nor shall proceedings under this Act be taken for any offence against this Act while other proceedings in relation to such offence are pending.

Orders as to Costs of Inquiries.

14. The Local Government Board may make orders as to the costs incurred by them in relation to inquiries instituted by them under this Act, and as to the parties by whom such costs shall be borne; and every such order and every order for the payment of costs made by the said Board under section twelve of this Act may be made a rule of Her Majesty's High Court of Justice.

Power of Inspectors of Local Government Board.

15. Inspectors of the Local Government Board shall, for the purposes of any inquiry directed by the Board under this Act, have in relation to witnesses and their examination, the production of papers and accounts, and the inspection of places and matters required to be inspected, similar powers to those which the inspectors of the said Board have under the Public Health Act, 1875, for the purposes of that Act.

(2.) SAVING CLAUSES.

Powers of Act cumulative.

16. The powers given by this Act shall not be deemed to prejudice or affect any other rights or powers now existing or vested in any person or persons by Act of Parliament, law, or custom, and such other rights or powers may be exercised in the same manner as if this Act had not passed; and nothing in this Act shall legalise any act or default which would but for this Act be deemed to be a nuisance or otherwise contrary to law: Provided nevertheless, that in any proceedings for enforcing against any person such rights or powers the court before which such proceedings are pending shall take into consideration any certificate granted to such person under this Act.

THE CANAL BOATS ACT, 1877.

40 & 41 VICT., CHAPTER 60.

AN Act to provide for the Registration and Regulation
of Canal Boats used as Dwellings.

[14th August, 1877.]

BE it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

Registration of use of Canal Boat as Dwelling.

1. After the expiration of twelve months after the commencement of this Act, or if the regulations of the Local Government Board herein-after mentioned have not at that time come into force, then after the expiration of six months from the date at which they have come into force, a canal boat shall not be used as a dwelling unless it has been registered in accordance with this Act.

The owner of a canal boat may register that boat with the registration authority herein-after mentioned as a dwelling for such number of persons of the specified age and sex as may be allowed under the provisions of this Act ; and the boat shall be used as a dwelling only for the number of persons of the age and sex for which it is registered.

If a canal boat is used as a dwelling in contravention of this Act, the master of the boat, and also the owner of the boat, if he is in fault, shall each be liable to a fine not exceeding twenty shillings for each occasion on which the boat is so used.

Local Government Board to make Regulations for Registration, fixing number of Persons, promoting Cleanliness, and preventing Infectious Disease.

2. The Local Government Board shall make regulations, and may from time to time revoke and vary such regulations—

- (1.) For the registration of canal boats under this Act, including certificates of registration, and the fees in connexion with such registration ; and

- (2.) For the lettering, marking, and numbering of such boats ; and
- (3.) For fixing the number, age, and sex of the persons who may be allowed to dwell in a canal boat, having regard to the cubic space, ventilation, provision for the separation of the sexes, general healthiness, and convenience of accommodation of the boat ; and
- (4.) For promoting cleanliness in and providing for the habitable conditions of canal boats ; and
- (5.) For preventing the spread of infectious diseases by canal boats.

The registration authority shall register every canal boat which conforms to the conditions of registration provided by the said regulations for the number of persons allowed by those regulations to dwell therein.

Certificate of Registry and Lettering and Numbering of Boat.

3. Upon the registry of a boat under this Act, the registration authority shall give to the owner thereof two certificates of registry, identifying the owner and the boat, and stating the place to which the boat is registered as belonging, and the number, age, and sex of the persons allowed to dwell in the boat, and such other particulars as may be provided by regulations under this Act or may seem fit to the registration authority, and the master shall have the care of one of such certificates.

Every canal boat when registered shall be lettered, marked, and numbered in some conspicuous manner (as directed by the regulations made under this Act), and such lettering, marking, and numbering shall include the word "registered," and the name of the place to which the boat is registered as belonging, and the registered number.

Any boat not lettered, marked, and numbered in conformity with this section, or having the letter, mark, or number altered, defaced, or obliterated, shall be deemed, for the purposes of this Act, to be an unregistered canal boat.

Power of Sanitary Authority for prevention of Infectious Disease in Canal Boats.

4. Where any sanitary authority within whose district a canal or any part of a canal is situate is informed by the master of a canal boat or otherwise that a person on a canal boat is suffering from an infectious disorder, the authority shall cause such steps to be taken as may by the certificate of their medical officer of health, or of any other legally qualified practitioner, appear requisite for preventing the said disorder from spreading, and for that purpose may exercise the power of removing a person suffering as aforesaid, and all other powers in relation to provisions against infection conferred by the Public Health Act, 1875, and may also, if need be, detain the boat ; but such boat shall not be detained a longer time than is necessary for cleansing and disinfecting the same.

Authorized Person may enter Boat, &c.

5. Where any person duly authorized by a registration or sanitary authority, or by a justice of the peace, has reasonable cause to suppose, either that there is any contravention of this Act on board a canal boat, or that there is on board a canal boat any person suffering from an infectious disorder, he may, on producing (if demanded) either a copy of his authorization, purporting to be certified by the clerk or a member of the sanitary authority, or some other sufficient evidence of his being authorized as aforesaid, enter by day such canal boat and examine the same and every part thereof, in order to ascertain whether on board such boat there is any contravention of this Act, or a person suffering from an infectious disorder, and may, if need be, detain the boat for the purpose, but for no longer time than is necessary.

The master of the boat shall, if required by such person, produce to him the certificate of registry (if any) of the boat, and permit him to examine and copy the same, and shall furnish him with such assistance and means as such person may require for the purpose of his entry and examination of and departure from the boat in pursuance of this section.

A refusal to comply with the requisition of such person under this section shall be deemed to be an obstruction of such person.

If such person is obstructed in the performance of his duty under this Act in the case of any boat, the person so obstructing shall be liable to a fine not exceeding forty shillings.

Education of Children dwelling on board Canal Boats.

6. A child in a canal boat registered in pursuance of this Act, and his parent, shall for the purposes of the Elementary Education Acts, 1870, 1873, and 1876, be deemed, subject as herein-after mentioned, to be resident in the place to which the boat is registered as belonging, and shall be subject accordingly to any byelaw in force under the said Acts in that place.

Provided that if the parent satisfies the school board or school attendance committee having authority in that place, that the child is actually attending school, or is under efficient instruction in accordance with the said Acts, in some other school district, the said board or committee shall grant him without charge a certificate to that effect, and thereupon he and his child shall be deemed for the purposes aforesaid to be resident in the school district in which the child is so attending school, or under efficient instruction, and shall be subject to any byelaw in force therein.

The said certificate may on application by the parent be rescinded or varied by the school board or school attendance committee for the place to which the boat is registered as belonging, and may be rescinded without application by any such board or committee, if they are satisfied, after due notice to the parent, that his child is not properly attending school or under efficient instruction in the school district mentioned in the certificate.

Registration Authority.

7. For the purpose of the registration of canal boats, the registration authority shall be such one or more of the sanitary authorities having districts abutting on a canal as may from time to time be prescribed by regulation of the Local Government board.

A canal boat shall be registered with some registration authority having a district abutting on the canal on which such boat is accustomed or intended to ply.

With a view of determining the place to which a canal boat belongs, for the purpose of the Elementary Education Acts, 1870, 1873, and 1876, the registration authority shall register any canal boat in respect of which an application is made for registration as belonging to some place which is either a school district or is part of a school district, and is situate wholly or partly within the jurisdiction of the registration authority with which it is registered.

Expenses of Sanitary Authority.

8. The expenses incurred in the execution of this Act by a local authority shall be defrayed as follows :

- (1.) When they are incurred by an urban sanitary authority, a rural sanitary authority, or a port sanitary authority, they shall be defrayed out of the fund or rate out of which the expenses of such authority, as a sanitary authority under the Public Health Act, 1875, are defrayed ; provided that when they are incurred by a rural sanitary authority they shall be deemed to be general expenses ; and
- (2.) When they are incurred by a vestry or district board in the metropolis they shall be defrayed as expenses incurred by such vestry or board in the execution of the Metropolis Management Act, 1855, and the Acts amending the same.

Regulations to be laid before Parliament.

9. An order of the Local Government Board making, revoking, or varying any regulation in pursuance of this Act shall not come into force until it has lain in a complete form as settled and approved by the Board for forty days before both Houses of Parliament during the session of Parliament.

The Local Government Board shall take steps for enabling all persons interested in any regulations made by that Board in pursuance of this Act to obtain copies thereof at such places in the neighbourhood of canals as the Local Government Board may prescribe, on payment of such sum not exceeding sixpence as may be prescribed by that Board.

Illegal Detention of Certificate of Registry.

10. If the master of any canal boat illegally detains the certificate of registry of such boat, he may, on summary conviction before two

justices, be directed by order of such justices to deliver up such certificate, and shall, in addition thereto, be liable to a fine not exceeding forty shillings, and the justices may direct any part of such fine to be paid to the person injured by the detention of such certificate.

Application of Fees under this Act.

11. All fees paid in respect of registration under this Act shall be carried to the fund or rate out of which the expenses incurred in the execution of this Act by the authority making such registration are by this Act declared to be payable.

Power of Canal Company, &c., to establish Schools.

12. Any company or association, corporate, or unincorporate, being the owners of any canal boats, or being the owners, lessees, or undertakers of any canal, may, with the assent of a special resolution of their members, and notwithstanding any Act of Parliament, charter, or document regulating the funds of the company or association, appropriate any portion of their funds to the establishment and maintenance, or establishment or maintenance, of a school or schools wherein the children of the persons employed in canal boats may be lodged, maintained, and educated, or educated only: with this restriction: that the children shall not be maintained gratuitously, but the lodging or education may be wholly or partially gratuitous.

A "special resolution" shall, for the purposes of this Act, mean a resolution passed in manner provided by the fifty-first section of the Companies Act, 1862.

Recovery of Penalties.

13. Offences under this Act may be prosecuted, and fines under this Act may be recovered on summary conviction before two justices having jurisdiction, either in the place to which the boat in respect of which the offence was committed is registered as belonging, or in the place where the offence is committed, or in the place where the alleged offender for the time being is, in manner provided by the Act of the eleventh and twelfth years of the reign of her present Majesty, chapter forty-three, intituled "An Act to facilitate the performance of the duties of justices of the peace out of sessions within England and Wales with respect to summary convictions and orders," and the Acts amending the same.

41 & 42 VICT., CHAPTER 25.

An Act to amend the Public Health Act, 1875, so far as relates to the supply of Water. [4th July, 1878.]

WHEREAS it is expedient to amend the provisions of the Public Health Act, 1875 (38 & 39 Vict. c. 55):

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

Short Title, and Construction.

1. This Act may be cited as the Public Health (Water) Act, 1878, and shall be construed as one with the Public Health Act, 1875.

Commencement of Act.

2. This Act shall come into operation on the twenty-fifth day of March one thousand eight hundred and seventy-nine, which day is in this Act referred to as the commencement of this Act.

Duty of Rural Authority to provide or require provision of sufficient Water Supply, and Procedure for Enforcing such Requirement.

3. It shall be the duty of every rural sanitary authority, regard being had to the provisions in this Act contained, to see that every occupied dwelling-house within their district has within a reasonable distance an available supply of wholesome water sufficient for the consumption and use for domestic purposes of the inmates of the house.

Where it appears to a rural sanitary authority, on the report of their inspector of nuisances, or their medical officer of health, that any occupied dwelling-house within their district has not such supply within a reasonable distance, and the authority are of opinion that such supply can be provided at a reasonable cost not exceeding a capital sum the interest on which at the rate of five per centum per annum would amount to twopence per week, or at such other cost not exceeding a capital sum the interest on which at the rate of five per centum per annum would amount to threepence per week, as the Local Government Board may on the application of the local authority determine under all the circumstances of the case to be reasonable,

and that the expense of providing the supply ought to be paid by the owner or defrayed as private improvement expenses, proceedings may be taken as follows :

- (1.) The authority may serve on the owner of the house a notice requiring him, within a time specified in the notice and not exceeding six months from the date of the service thereof, to provide such supply, and to do all such works as may be necessary for that purpose.
- (2.) If at the expiration of the time so specified the notice is not complied with the authority may serve on the owner a second notice, informing him that if the requirements of the first notice are not complied with within one month from the date of the service of the second notice, the authority will themselves provide such supply, and that the expense of providing the supply will in that case be payable by the owner or as a private improvement expense.
- (3.) If at the expiration of one month from the date of the service of the second notice the requirements of the first notice are not complied with, the authority may, subject as in this Act is mentioned, themselves provide the supply, and for that purpose they may enter upon the premises and execute all such works as appear to them necessary for obtaining a supply of water for the house, and for the purposes of such entry sections 102 and 103 of the Public Health Act, 1875, shall apply until the works are completed, in the same manner as if an order of a court of summary jurisdiction had been made for the abatement of a nuisance on the premises, and that order had not been complied with.
- (4.) Any expenses incurred by the authority in providing such supply and doing such works may, when the supply has been provided, be recovered in a summary manner from the owner of the house, or may, at the option of the authority, be declared by their order, to be private improvement expenses.
- (5.) Where the owners of two or more houses have failed to comply with the requirements of the notices served on them under this section, and the authority might, under this Act, execute the necessary works for providing a water supply for each house, the authority may, if it appears to them desirable, and no greater expense would be occasioned thereby, execute works for the joint supply of water to those houses, and apportion the expenses as they deem just.

The authority may, on cause being shown to their satisfaction why the requirements of a notice served by them under this section should not be complied with, withdraw the notice or modify the requirements thereof.

Provided that nothing in this section contained shall be deemed to relieve the authority from the duty imposed upon them by the Public Health Act, 1875, of providing their district or any contributory place or part of a contributory place therewith a supply of water in cases

iv.] *The Public Health (Water) Act, 1878.*

where danger arises to the health of the inhabitants from the insufficiency or unwholesomeness of the existing supply, and a general scheme of supply is required, and such supply can be got at a reasonable cost.

Appeal by owner against Requirement to provide Water Supply.

4. Where an owner of a house has been required by the notice of a rural sanitary authority to provide a supply of water for his house, and objects to such requirement on any of the following grounds; (that is to say,)

- (1.) That the supply is not required; or
- (2.) That the time limited by the notice for providing the supply is insufficient; or
- (3.) That it is impracticable to provide the supply at a reasonable cost; or,
- (4.) That the authority ought themselves to provide a supply of water for the district or contributory place in which the house is situate, or to render the existing supply of water wholesome; or,
- (5.) That the whole or part of the expense of providing the supply, or of rendering the existing supply wholesome, ought to be a charge on the district or contributory place;

he may within twenty-one days after service on him of the second notice, address a memorial to the authority, stating his objections, and in that case it shall not be lawful for the authority to proceed with the execution of the works which they might otherwise execute under this Act until they have been authorised to execute the same by a court of summary jurisdiction or by the Local Government Board in manner herein-after provided.

If the objections stated in the memorial do not include either the fourth or fifth of the above-mentioned grounds, the authority may apply to a court of summary jurisdiction for an order authorising them to proceed with the works, and thereupon the court shall summon the owner, and, if satisfied on hearing the case that the objections are not well founded, shall make an order authorising the authority to proceed with the works in the event of their not being executed by the owner within a time limited by the order.

If the objections stated in the memorial are or include the fourth and fifth of the above-mentioned grounds, or either of them, the authority shall forward a copy of the memorial to the Local Government Board, who may either cancel the requirement of the authority or confirm the same, with or without modifications.

If the Local Government Board confirm the requirement they shall issue an order authorising the authority, subject to such modifications, if any, as they prescribe, to execute the works in the event of such works not being executed by the owner within a time limited by the order.

Any such order may, if the Local Government Board think it equitable so to do, apportion the expense of providing the supply between the owner of the house and the authority of the district com-

prising the contributory place in which the house is situate, or between the owner and any other person or persons.

If the Local Government Board cancel the requirement on the grounds that the authority ought themselves to provide a supply of water for the district or contributory place in which the house is situate, or to render the existing supply wholesome, the memorial shall be deemed to have been a complaint of default made to the Local Government Board against the authority under the 299th section of the Public Health Act, 1875.

Appeal against Apportionment of Expenses.

5. Where the expenses of providing a joint supply of water for two or more houses are apportioned under this Act by a rural sanitary authority among the owners of the several houses, notice of such apportionment shall be forthwith given to each of such owners, and if any owner objects to the apportionment as unjust, he may, within twenty-one days after service on him of notice thereof, apply to a justice, and thereupon the justice may summon the authority, and also the other owners, to show cause before a court of summary jurisdiction why the apportionment should not be varied, and the court may either dismiss the application or make such order varying the apportionment as to the court may appear reasonable.

Houses in Rural Districts not to be Erected or Rebuilt without sufficient Water Supply.

6. It shall not be lawful in any rural district for the owner of any dwelling-house which may be erected after the date of the commencement of this Act, or of any dwelling-house which after that date may be pulled down to or below the ground floor and rebuilt, to occupy the same, or cause or permit the same to be occupied, unless and until he has obtained from the sanitary authority of the district a certificate that there is provided, within a reasonable distance of the house, such an available supply of wholesome water as may appear to such authority, on the report of their inspector of nuisances or of their medical officer of health, to be sufficient for the consumption and use for domestic purposes of the inmates of the house.

If the sanitary authority refuse to grant such certificate, the owner may apply to a court of summary jurisdiction for an order authorising the occupation of the house notwithstanding the refusal of the certificate, and thereupon the court shall summon the authority, and if the court, after hearing the case, is of opinion that the certificate ought to have been granted, the court may make an order authorising the occupation of the house.

Any owner who occupies a house or causes or permits it to be occupied in contravention of this section shall be liable on conviction by a court of summary jurisdiction to a penalty not exceeding ten pounds.

Periodical Inspections of Water Supply.

7. It shall be the duty of every rural sanitary authority from time to time to take such steps as may be necessary to ascertain the

condition of the water supply within their district, and the authority may pay all reasonable costs and expenses incurred by them for the purpose of taking such steps. The authority, or any of their officers, or any person duly authorised in writing for that purpose by the authority, if they or he have or has reasonable ground for believing that any occupied dwelling-house within the district is without a proper supply of wholesome water, sufficient for the consumption and use for domestic purposes of the inmates of such house, shall be admitted into the premises for which such supply is required or from which the water supply may be derived for the purpose of ascertaining whether or not such house has such a supply within a reasonable distance; and for the purposes of any such admission sections 102 and 103 of the Public Health Act, 1875, shall apply in the same manner as if such admission were necessary for the purpose of examining as to the existence of any nuisance on the premises, and the person so authorised as aforesaid were an officer of the rural sanitary authority.

Explanation of Section 62 of 38 & 39 Vict. c. 55, as to the Meaning of "Reasonable Cost."

8. Where application is made to the Local Government Board by a local authority under section 62 of the Public Health Act, 1875, to determine what is a reasonable cost within the meaning of that section, the Board may, for that purpose, fix, by order, a general scale of charges for the whole or any part of the district of the local authority, and the cost of the supply of water to any house within the area specified in the order shall be deemed to be determined to be a reasonable cost within the meaning of that section if it does not exceed the cost authorised by such general scale of charges.

Rating for Water Supply by Stand-pipes.

9. Where a rural sanitary authority have provided a stand-pipe or stand-pipes for the supply of water to any portion of their district, they may recover water rates or water rents from the owner or occupier of every dwelling-house within two hundred feet of any such stand-pipe, in the same manner in all respects as if the supply had been given on the premises.

Provided that if any such dwelling-house has, within a reasonable distance, and from other sources, a supply of wholesome water sufficient for the consumption and use of the inmates of the house, no water rate or water rent shall be recoverable from the owner or occupier of the house unless and until the water supplied by the authority by means of such stand-pipes is used by inmates of the house.

Power to require Water Rates to be levied. 38 & 39 Vict. c. 55.

10. Where a sanitary authority under the provisions of the Public Health Act, 1875, as amended by this Act, supply water in any urban district or in any contributory place, and an application is made to them by any ten persons rated to the relief of the poor in such urban district, or by any five persons so rated in such contributory place, to

charge water rates or water rents in respect of the water so supplied, it shall be incumbent upon the authority to exercise the powers given to them by the Public Health Act, 1875, and by this Act, of charging water rates or water rents in respect of all water supplied by them in such urban district or in such contributory place.

Powers of Urban Sanitary Authorities in Certain Cases.

11. The Local Government Board may, if they think fit, by order, invest any urban sanitary authority with all or any of the powers and duties which are by this Act given to a rural sanitary authority, and such investment may be made either unconditionally or subject to any conditions to be specified by the Board as to the time, portion of the district, or manner during at or in which the powers and duties are to be exercised.

Forms in the Schedule.

12. The forms contained in the schedule to this Act, or forms to like effect varied as circumstances may require, may be used, and shall be deemed sufficient for all purposes.

Powers of Act cumulative.

13. All powers given by this Act shall be deemed to be in addition to and not in derogation of any other powers conferred by Act of Parliament, law, or custom.

A Secretary of State may at any time propose to the occupier of any white lead factory any new special rules or any amendments to the special rules; and such new rules or amendments shall, as settled after time given for consideration of the objections, if any, of the occupier, be established as from a date to be fixed by a Secretary of State and specified therein.

False Statements and Transmission of Rules.

If the occupier of any white lead factory to which this Act applies makes any false statement with respect to the posting up of the special rules and notices, he shall be liable on summary conviction to a fine not exceeding twenty pounds; and if special rules for any white lead factory are not transmitted within the time limited by this Act to the chief inspector, for the approval of a Secretary of State, such Secretary may by writing under his hand establish for that factory such special rules as he may see fit, to come into operation as from a date to be fixed by him and specified therein.

THE HOUSING OF THE WORKING CLASSES
ACT, 1885.

48 & 49 VICT., CHAPTER 72.

An Act to amend the Law relating to Dwellings of
the Working Classes. [14th August, 1885.]

WHEREAS it is expedient to amend the law with reference to the provision of suitable dwellings for the working classes :

Be it therefore enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

LABOURING CLASSES LODGING HOUSES.

Adoption of Labouring Classes Lodging Houses Acts.

1.—(1.) The Labouring Classes Lodging Houses Acts, 1851 to 1867, may be adopted—

- (a) for the City of London by the Commissioners of Sewers of the City of London ;
- (b) for the metropolis, exclusive of the City of London, by the Metropolitan Board of Works if one of Her Majesty's Principal Secretaries of State approves of such adoption ;
- (c) for any urban sanitary district by the urban sanitary authority of such district in accordance with section ten of the Public Health Act, 1875 ; and
- (d) for any rural sanitary district by the sanitary authority of the district upon such certificate published by the Local Government Board, and after such delay as herein-after mentioned.

(2.) A rural sanitary authority in any district desiring to adopt the said Acts may apply to the Local Government Board for the certificate required for such adoption, and shall specify in such application the area in which they consider that accommodation is necessary for the housing of the labouring classes, and thereupon

the Local Government Board shall direct a local inquiry to be held by one of their inspectors, and if after such local inquiry the inspector shall certify that accommodation is necessary in such area for the housing of the labouring classes, and that there is no probability that such accommodation will be provided without the execution of the said Acts, and that having regard to the liability which will be incurred by the rates, it is under all the circumstances prudent for the said authority to undertake the provision of the said accommodation under the powers of the said Acts, the Local Government Board may if they think fit publish that certificate in the "London Gazette," and thereupon the sanitary authority may adopt the said Acts: Provided that—

- (a) unless the Local Government Board state in publishing such certificate that, by reason of the date of the next ordinary election of members of such authority or otherwise, an emergency renders it necessary to adopt the Acts immediately, such adoption in pursuance of the certificate shall not take place before the ordinary election of members of such authority which is held next after the date of the local inquiry; and
- (b) after the end of twelve months from the date of the certificate the Acts shall not be adopted without a fresh certificate; and
- (c) no land shall be acquired, nor buildings erected under the said Acts outside of the area mentioned in the certificate, except after a fresh application, inquiry, and certificate.

(3.) Where the rural sanitary authority think it just that the burden of the expenses of the execution of the said Acts should be borne by some contributory place or places only in their district, instead of by the whole of their district, the authority may in their application to the Local Government Board request permission to limit the burden of such expenses to such contributory place or places, and thereupon the justice of such limitation shall be inquired into at the local inquiry, and the Local Government Board, if satisfied after the local inquiry that the circumstances of the contributory place or places and of the rest of the district render such limitation just, may make an order to that effect, and thereupon the expenses of the execution of the said Acts in the area mentioned in the order shall be borne by the contributory place or places named in the order instead of by the whole district. The provisions of this enactment with respect to the burden of the expenses shall apply upon every application for a fresh certificate.

(4.) When the Labouring Classes Lodging Houses Acts, 1851 to 1867, have been adopted by the Metropolitan Board of Works, or by any sanitary authority, or by the Commissioners of Sewers of the City of London, then—

- (a) such board or authority or Commissioners shall have power to carry the said Acts into execution within the area for which they are adopted, subject in the case of a rural sanitary authority to the foregoing provisions with respect to rural

sanitary authorities, and for that purpose may exercise the same powers whether of contract or otherwise as in the execution of their duties under the Metropolis Management Act, 1855, and the Acts amending the same, or under the Public Health Act, 1875, or under the Acts conferring powers on such Commissioners of Sewers respectively ;

(b) all expenses incurred by such board or authority in the execution of the said Acts shall be defrayed—

(i.) in the case of the Metropolitan Board of Works, out of the Dwelling House Improvement Fund under the Artizans and Labourers Dwellings Improvement Act, 1875 ;

(ii.) in the case of an urban sanitary authority, as part of the general expenses of their execution of the Public Health Act, 1875 ; and

(iii.) in the case of a rural sanitary authority, as special expenses incurred in the execution of the Public Health Act, 1875, and, save where the burden of such expenses is by order of the Local Government Board to be borne by one contributory place only, shall be deemed to be incurred for the common benefit of all the contributory places liable to bear such expenses : Provided that if on the application of the rural sanitary authority it is so declared at the time of the publication of the certificate by the Local Government Board, then the said expenses of the rural sanitary authority shall be defrayed as general expenses of the said authority in the execution of the Public Health Act, 1875, and if such expenses are not to be borne by the whole of the district, shall be charged to the contributory places which are to bear the same as an addition to the general expenses otherwise chargeable thereto ;

(iv.) in the case of the City of London, out of the Dwelling House Improvement Fund under the Artizans and Labourers Dwellings Improvement Act, 1875 ;

(c) all receipts under the said Acts shall be paid to the fund out of which such expenses are payable, and the accounts of such receipts and expenses shall be audited in like manner and with the like incidents and consequences respectively as the accounts of the general or special expenses above mentioned ; but separate accounts shall be kept of the receipts and expenditure for the purposes of the said Acts ;

(d) such Board and Commissioners may borrow for the purpose of the execution of the said Acts, in like manner and subject to the like conditions as they may borrow for the purposes of the Artizans and Labourers Dwellings Improvement Act, 1875, and every such authority may borrow for the purpose of the execution of the said Acts in like manner and subject to the like conditions as for the purpose of defraying the above-mentioned general or special expenses ;

(2.) A sanitary authority may make byelaws for promoting cleanliness in, and the habitable condition of tents, vans, sheds, and similar structures used for human habitation, and for preventing the spread of infectious disease by the persons inhabiting the same, and generally for the prevention of nuisances in connexion with the same.

(3.) Where any person duly authorized by a sanitary authority or by a justice of the peace has reasonable cause to suppose either that there is any contravention of the provisions of this Act or any byelaw made under this Act in any tent, van, shed, or similar structure used for human habitation, or that there is in any such tent, van, shed, or structure, any person suffering from a dangerous infectious disorder, he may, on producing (if demanded) either a copy of his authorization purporting to be certified by the clerk or a member of the sanitary authority or some other sufficient evidence of his being authorized as aforesaid, enter by day such tent, van, shed, or structure, and examine the same and every part thereof in order to ascertain whether in such tent, van, shed, or structure there is any contravention of any such byelaw or a person suffering from a dangerous infectious disorder.

(4.) For the purpose of this section "day" means the period between six o'clock in the morning and the succeeding nine o'clock in the evening.

xvi.] *The Housing of the Working Classes Act, 1885*

- (7.) Nothing in this section shall apply to any tent, van, shed, or structure erected or used by any portion of Her Majesty's military or naval forces.

Application of certain Provisions as to Byelaws and Local Inquiries.

10.—(1.) With respect to byelaws authorized by this Act or by the Labouring Classes Lodging Houses Act, 1851, to be made—

- (a) sections two hundred and two and two hundred and three of the Metropolis Management Act, 1855, where such byelaws are made by the Metropolitan Board of Works, or any nuisance authority in the metropolis; and
(b) the provisions of the Public Health Act, 1875, relating to byelaws, where such bye-laws are made by a sanitary authority, shall apply to such byelaws, and a fine or penalty under any such byelaw may be recovered on summary conviction.
(2.) For the purposes of the execution of their duties under this Act the Local Government Board may hold such local inquiries as the Board see fit, and sections two hundred and ninety-three to two hundred and ninety-six, both inclusive, of the Public Health Act, 1875, relating to inquiries by such Board shall apply.

(b) The improvements on which capital money may be expended, enumerated in section twenty-five of the said Act, and referred to in section thirty of the said Act, shall, in addition to cottages for labourers, farm servants, and artizans, whether employed on the settled land or not, include any dwellings available for the working classes, the building of which in the opinion of the Court is not injurious to the estate.
(2.) Any body corporate holding land may sell, exchange or lease such land for the purpose of the erection of dwellings for the working classes at such price, or for such consideration, or for such rent as having regard to the said purpose and to all the circumstances of the case is the best that can reasonably

be obtained, notwithstanding that a higher price, consideration, or rent might have been obtained if the land were sold, exchanged, or leased for another purpose.

Conditions to be Implied on Letting Houses for the Working Classes.

12. In any contract made after the passing of this Act for letting for habitation by persons of the working classes a house or part of a house, there shall be implied a condition that the house is at the commencement of the holding in all respects reasonably fit for human habitation. In this section the expression "letting for habitation by persons of the working classes" means the letting for habitation of a house or part of a house at a rent not exceeding in England the sum named as the limit for the composition of rates by section three of the Poor Rate Assessment and Collection Act, 1869, and in Scotland or Ireland four pounds.

ALLOTMENTS ACT, 1887.

50 & 51 VICT., CHAPTER 48.

An Act to facilitate the provision of Allotments for the
Labouring Classes. [16th September, 1887.]

BE it enacted by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows :

Short Title.

1. This Act may be cited as the Allotments Act, 1887.

Duty of Sanitary Authority to acquire Land for Allotments.

2.—(1.) On a representation in writing to the sanitary authority of any urban or rural district by any six registered Parliamentary electors or ratepayers resident, in the case of an urban district, in that district, and, in the case of a rural district, in some parish in that district, that the circumstances of the urban district or parish are such that it is the duty of the sanitary authority to take proceedings under this Act therein, the sanitary authority shall take such representation into consideration.

If the sanitary authority of any urban or rural district are of opinion, either after inquiry made in consequence of such representation or otherwise, that there is a demand for allotments for the labouring population in such urban district, or in any parish in such rural district, and that such allotments cannot be obtained at a reasonable rent and on reasonable conditions by voluntary arrangement between the owners of land suitable for such allotments and the applicants for the same, the sanitary authority, subject to the provisions of this Act, shall by purchase or hire acquire any suitable land which may be available whether within or without their district or the said parish, adequate to provide a sufficient number of allotments, and shall let such land in allotments to persons belonging to the labouring population resident in the said district or parish and desiring to take the same.

(2.) A sanitary authority shall not under this Act acquire land for allotments save at such price or rent that in the opinion of the

sanitary authority all expenses, except such expenses as are incurred in making roads to be used by the public, incurred by the sanitary authority in acquiring the land and otherwise in relation to the allotments may reasonably be expected to be recouped out of the rents obtained in respect thereof.

For the purpose of this section, the expression "reasonable rent" means the rent, exclusive of rates, taxes, and tithe rent-charge which a person taking an allotment might reasonably be expected to pay, taking one year with another, to a landlord, having regard to the value of similar land in the neighbourhood, to the extent and situation of the allotment, to the expenses of adapting the land to the purposes of the allotment, and to the repairs and other outgoings payable by the landlord, and to the cost and risk of collecting the rents of, and otherwise managing allotments.

Acquisition of Land for purposes of Act.

3.—(1.) For the purposes of the purchase of land by agreement by a sanitary authority for allotments, section one hundred and seventy-eight of the Public Health Act, 1875, and the Lands Clauses Consolidation Act, 1845, and the Acts amending the same, shall be incorporated with this Act, except the provisions with respect to the purchase and taking of land otherwise than by agreement, and with respect to the provision to be made for affording access to the special Act.

(2.) If a sanitary authority are unable by hiring or purchase by agreement to acquire suitable land sufficient for allotments under this Act for any district or parish at a reasonable price or rent and subject to reasonable conditions, such authority may petition the county authority of the county in which the district or parish is situate, and the county authority (after such inquiry and procedure as provided in the sections hereinafter incorporated in this Act) may make a provisional order authorizing the sanitary authority to put in force, as respects the land mentioned in the order, the provisions of the Lands Clauses Consolidation Act, 1845, and the Acts amending the same with respect to the purchase and taking of land otherwise than by agreement.

(3.) The Local Government Board, on the application of any county authority, shall introduce into Parliament a Bill confirming provisional orders made under this Act by such county authority, and the sanitary authority petitioning for the order shall be considered as the promoters of such order.

(4.) For the purpose of the purchase of land under this section otherwise than by agreement, sections one hundred and seventy-six, two hundred and ninety-six, and two hundred and ninety-seven of the Public Health Act, 1875, shall, so far as consistent with the tenour of this Act, be incorporated with this Act, and apply as if they were herein re-enacted, with the substitution of "the county authority," "the Local Government Board," and of "any officer of the county authority appointed for the purpose of an inquiry" for "inspectors of the Local Government Board."

Provided that—

- (a.) Any question of disputed compensation shall be referred to the arbitration of a single arbitrator appointed by the parties, or if the parties do not concur in the appointment of a single arbitrator, then, on the application of either of them, by the Local Government Board, and the remuneration to be paid to the arbitrator appointed by the Local Government Board shall be fixed by that Board :
 - (b.) If an arbitrator appointed for the purposes of this Act dies or becomes incapable to act before he has made his award, or fails to make his award within two months after he is appointed, his appointment shall determine, and the determination of the compensation shall be referred to another arbitrator appointed in like manner as if no arbitrator had been previously appointed : Provided always that the same arbitrator may be re-appointed :
 - (c.) An arbitrator appointed under this section shall be deemed to be an arbitrator within the meaning of the Lands Clauses Consolidation Act, 1845, and the Acts amending the same, and the provisions of those Acts with respect to an arbitration shall apply accordingly ; and, further, the arbitrator, notwithstanding anything in the said Acts, shall determine the amount of the costs and shall have power to disallow as costs in the arbitration the costs of any witness whom he considers to have been called unnecessarily, and any other costs which he considers to have been incurred unnecessarily.
- (5.) In construing for the purposes of this section any section or Acts incorporated with this section, this Act, together with any Act confirming a provisional order under this section, shall be deemed to be the Special Act, and the sanitary authority shall be deemed to be the local authority or the promoters of the undertaking, as the case requires, and the word "land" shall have the same meaning as in this Act.
- (6.) Where land is purchased by a sanitary authority under this Act otherwise than by agreement, the following provisions shall apply :
- (a.) The county authority shall not make a provisional order for purchasing any park, garden, pleasure-ground, or other land required for the amenity or convenience of any dwelling-house, or any land the property of a railway or canal company which is or may be required for the purposes of their undertaking :
 - (b.) The county authority shall, in making a Provisional Order for purchasing land, have regard to the extent of land held in the neighbourhood by any owner and to the convenience of other property belonging to the same owner, and shall, so far as is practicable, avoid taking an undue or inconvenient quantity of land from any one owner.
- (7.) For the purpose of the hiring of land by a sanitary authority for allotments, any person or body of persons or body corporate authorized to sell land to the sanitary authority for the purposes of this Act may, without prejudice to any other power of leasing, lease

land to the sanitary authority, without any fine or premium, for a term not exceeding thirty-five years.

(8.) The county authority shall not make a Provisional Order for purchasing any right to coal or metalliferous ore.

Costs to be awarded in certain cases.

4. Where any Bill for confirming a Provisional Order made under this Act is referred to a committee of either House of Parliament upon the petition of any person opposing such Bill, the committee shall take into consideration the circumstances under which such opposition is made to the Bill, and whether such opposition was or was not justified by the circumstances, and shall award costs accordingly to be paid by the promoters or the opponents of the Bill, as the committee may think just.

Any costs under this section may be taxed and recovered in the manner in which costs may be taxed and recovered under the twenty-eighth and twenty-ninth Victoria, chapter twenty-seven.

The decision of the majority of the members of the committee for the time being present and voting on any question under this section shall be deemed to be the decision of the committee.

Improvement and adaptation of Land for Allotments.

5. The sanitary authority may improve any land acquired by them under this Act, and adapt the same for letting in allotments, by draining, fencing, and dividing the same, acquiring approaches, making roads, and otherwise, as they think fit, and may from time to time do such things as may be necessary for maintaining such drains, fences, approaches, and roads, or otherwise for maintaining the allotments in a proper condition.

Management of Allotments.

6—(1.) Subject to the provisions of this Act, the sanitary authority may from time to time make, revoke, and vary such regulations as appear to be necessary or proper for regulating the letting of allotments under this Act, and for preventing any undue preference in the letting thereof, and generally for carrying the provisions of this Act into effect; and such regulations may define the persons eligible to be tenants of such allotments, and the notices to be given for the letting thereof, and the size of the allotments, and the conditions under which they are to be cultivated, and the rent to be paid for them. Provided that all such regulations shall make provision for reasonable notice to be given to a tenant of any allotment of the determination of his tenancy. Provided also, that all regulations made under this section shall not be of any force unless and until they have been confirmed by the Local Government Board, in like manner and subject to the like provisions as in the case of byelaws under the Public Health Act, 1875.

(2.) All regulations for the time being in force under this section shall be binding on all persons whatsoever; and the sanitary autho-

rity shall cause them to be from time to time made known, in such manner as the sanitary authority think fit, to all persons interested, and shall cause a copy thereof to be given gratis to any inhabitant of the district or parish demanding the same.

(3.) Subject to the provisions of this Act the sanitary authority may from time to time appoint, and when appointed, remove allotment managers of land acquired under this Act for allotments, and such allotment managers shall consist either partly of members of such authority and partly of other persons, or wholly of other persons, so that in either case such other persons be persons residing in the locality and contributing to the rate out of which the expenses under this Act are paid.

(4) The proceedings and powers of allotment managers shall be such as, subject to the provisions of this Act, may be prescribed from time to time by the sanitary authority; the allotment managers may be empowered by the sanitary authority to do anything in relation to the management of such allotments which the sanitary authority are authorized to do, and to incur expenses to such amount as the sanitary authority prescribe, and any expenses properly so incurred shall be deemed to be expenses of the sanitary authority under this Act.

Provisions as to Letting and use of Allotments.

7.—(1.) The rents of the allotments shall be fixed at an amount not less than such as may reasonably be expected to ensure the sanitary authority from loss; but in calculating such loss any expenses incurred in an unsuccessful attempt to acquire land for allotments shall be excluded and, subject as aforesaid, such rents may be from time to time charged as are reasonable, having regard to the agricultural value of the land, and not more than a quarter's rent shall be required to be paid in advance in any case where it is deemed necessary by the sanitary authority to require the payment of rent in advance.

(2.) The sanitary authority shall, for the purposes of all rates, taxes, and tithe rent-charge, be deemed to be the occupiers of the allotments which are let, but they shall cause the sums from time to time paid by way of rates, taxes, and tithe rent-charge in respect of the allotments to be apportioned among them, and cause the sum so apportioned in respect of each allotment to be certified to the tenant thereof, and such sum shall be added to the rent otherwise payable by the said tenant in respect of such allotment, and shall be deemed to be part of such rent, and be recoverable accordingly: Provided always, that for the purposes of the parliamentary franchise, and the municipal and all other local franchises, the tenants shall be deemed to be the occupiers, and such rates to have been paid by them, notwithstanding the provisions herein-before contained.

(3.) One person shall not hold any allotment or allotments acquired under this Act exceeding one acre, and an allotment shall not be sub-let.

(4.) Provided that if at any time any allotment cannot be let in accordance with the provisions of this Act and the regulations, the same may be let to any person whatever at the best annual rent which can be obtained for the same, without any premium or fine, and on such terms as may enable the sanitary authority to resume possession thereof within a period not exceeding twelve months if it should at any time be required to be let under the provisions aforesaid.

(5.) No building other than a toolhouse, shed, greenhouse, fowl-house, or pigstye shall be erected on any part of any allotment, and if any building other than as aforesaid is so erected the sanitary authority shall forthwith pull down such building and sell and dispose of the materials thereof, and the proceeds of the sale shall be applicable in like manner as the rent of the allotment. If any building so allowed to be erected is erected upon an allotment, then at the end of the tenancy neither the sanitary authority nor the incoming tenant shall be bound to take any such building or pay any compensation therefor, but the outgoing tenant shall be at liberty, before the expiration of his tenancy, to remove the same, and, if he fails so to do, the sanitary authority may pull down the building and dispose of the materials, and apply the proceeds in like manner as if it were a building prohibited to be erected.

(6.) A tenant of an allotment may, before the expiration of his tenancy, remove any fruit and other trees and bushes planted or acquired by him, for which he has no claim for compensation.

Recovery of Rent and Possession of Allotments.

8.—(1.) The rent for an allotment let in pursuance of this Act, and the possession of such allotment in the case of any notice to quit, or failure to deliver up possession of the same as required by law, may be recovered by the sanitary authority as landlords, in the like manner as in any other case of landlord and tenant.

(2.) If the rent for any allotment is in arrear for not less than forty days, or if it appears to the sanitary authority that the tenant of an allotment not less than three months after the commencement of the tenancy thereof has not duly observed the regulations affecting such allotment made by or in pursuance of this Act, or is resident more than one mile out of the district or parish, for which the allotments are provided, the sanitary authority may serve upon the tenant, or if he is residing out of the district or parish, leave at his last known place of abode in the district or parish, or fix in some conspicuous manner on the allotment, a written notice determining the tenancy at the expiration of one month after the notice has been so served or affixed, and thereupon such tenancy shall be determined accordingly: Provided that in every such case the sanitary authority in default of agreement between the incoming and outgoing tenant shall on demand pay to the tenant whose tenancy is so determined any compensation due to him as an outgoing tenant; and such compensation shall be assessed by an

(4.) The allotment managers shall retire triennially on such day as may be prescribed by the regulations herein-after mentioned, and the allotment managers first elected shall retire on the day for retirement which occurs next after the expiration of three years after the day fixed for the election.

(5.) Any casual vacancy among the allotment managers which occurs by death, resignation, disqualification, or otherwise may, if there remains a quorum of allotment managers, be filled up by such managers, but the person elected to fill the vacancy shall hold office only for the same time as the vacating manager would have done.

(6.) If at any time by reason of a failure of election, either by electors or allotment managers, or of any other cause, there is no allotment manager, or no quorum of allotment managers in any parish, the sanitary authority shall appoint allotment managers under this Act in that parish, and shall continue to appoint the same until another petition for the election of allotment managers is presented under this section.

(7.) The electors of allotment managers shall be the parliamentary electors in the parish, that is to say, the persons registered in any list of parliamentary electors for the parish as entitled to vote at an

election of a member to serve in Parliament, and an elector shall not give more than one vote for any candidate, nor vote for more candidates than the number to be elected.

(8.) The election of allotment managers shall be held at such time, and in such manner, and in accordance with such regulations as the Local Government Board may from time to time by order prescribe; and the Local Government Board may make regulations respecting the duties of the returning officer, and the expenses of the election, and may do and make regulations respecting all such things as appear to them necessary or proper for carrying into effect this section, whether preliminary or incidental to such election, and for applying to such election any enactments respecting offences at the election of guardians, and make revoke or alter any previous order under this section: Provided as follows:—

- (f.) The returning officer may, except during ordinary school hours, use free of charge for the purpose of an election under this section any room in a school receiving a grant out of moneys provided by Parliament, and any room the expense of maintaining which is payable out of any rate in the parish, but he shall make good any damage done to the room, and defray any expense incurred by the person or body of persons, corporate or unincorporate, having control over the room, on account of its being so used.
- (9.) An election under this section shall not be questioned except in such manner as may be prescribed by regulations under this section, and the regulations may apply to such election any enactments respecting the questioning of an election of guardians.
- (10.) If an allotment manager is punished with imprisonment for any crime, or is adjudged a bankrupt, or enters into a composition or arrangement with his creditors, or ceases to reside in, or in the neighbourhood of, the parish, or absents himself for twelve months

from all meetings of the allotment managers, except for temporary illness or other cause, to be approved by such managers, or is a tenant of any allotment under the management of the managers, he shall cease to be an allotment manager, and his office shall be vacant, and a person who, if elected, would by virtue of this enactment cease, otherwise than by reason of absence from meetings, to be a manager, shall not be qualified to be elected a manager, but save as aforesaid, any retiring manager shall be eligible for re-election.

(3.) All sums received by a sanitary authority in respect of any land acquired under this Act, otherwise than from any sale or exchange, shall be applied in aid of the expenses incurred by them in respect of such land, and so far as they are not required for the payment of those expenses, shall be applied in aid of the general and special expenses above in this section mentioned, and in the case of a rural sanitary authority shall be credited to the parish on account of which the land was acquired.

(4.) The sanitary authority may borrow for the purposes of acquiring, improving, and adapting land under this Act in like manner and subject to the like conditions as for the purpose of defraying the above-mentioned general and special expenses; and all sums payable by the sanitary authority in respect of principal or of interest on any money so borrowed shall be defrayed in manner provided by this section respecting expenses incurred under this Act in respect of such land.

(5.) Sale of superfluous or unsuitable Land.

11.—(1.) Where the sanitary authority are of opinion that any land acquired by them in pursuance of this Act or any part thereof is no longer needed for the purpose of allotments, or that any other land more suitable for such purpose is available, they may, with the sanction of the county authority, sell or let such land or part, or exchange the same for other land more suitable for the said purpose, and may pay or receive money for equality of exchange.

(2.) The proceeds of a sale under this section, and any money received by the sanitary authority on any such exchange as aforesaid by way of equality of exchange, shall be applied in discharging, either by way of a sinking fund or otherwise, the debts and liabilities of the sanitary authority in respect of the land acquired under this Act, or in acquiring, adapting, and improving other land for allotments under this Act, and any surplus remaining may be applied for any purpose for which capital money may be applied, and which is approved by the Local Government Board; and the interest thereon (if any) and any money received from the letting of the land may be applied in acquiring other land for allotments, or shall be applied in like manner as receipts from allotments under this Act are applicable: Provided that any such proceeds, surplus, interest, and money shall, in the case of a rural sanitary district, be credited to or applied for the benefit of the parish for which the land was purchased.

(3.) Sections one hundred and twenty-eight to one hundred and thirty-two (both inclusive) of the Lands Clauses Consolidation Act, 1845, (relating to the right of pre-emption of superfluous lands) shall apply upon any sale by a sanitary authority in pursuance of this section of any land, whether because it is no longer needed for the purpose of allotments, or because other land more suitable for the purpose is available, but save as aforesaid, the provisions of the Lands Clauses Consolidation Act, 1845, with respect to the sale of superfluous lands shall not be deemed to be incorporated in this Act, or in any Provisional Order made under this Act.

Where it appears to any sanitary authority that, as regards their district, if urban, or any parish in their district, if rural, land can be acquired for affording common pasture at such price or rent that all expenses incurred by the sanitary authority in acquiring the land and otherwise in relation to the land when acquired may reasonably be expected to be recouped out of the charges paid in respect

thereof, and that the acquisition of such land is desirable in view of the wants and circumstances of the labouring population, such sanitary authority may submit to the county authority for the county in which the district or parish is wholly or partly situate a scheme for providing such common pasture, and the county authority, if satisfied of the expediency of such scheme, may by order authorize the sanitary authority to carry it into effect, and upon such order being made this Act shall, with the necessary modifications, apply in like manner as if "allotments" in this Act included common pasture, and "rent" included a charge for turning out an animal.

Provided that the regulations made under this Act may extend to regulating the turning out of animals on the common pasture, to defining the persons entitled to turn them out, the number to be turned out, and the conditions under which animals may be turned out, and fixing the charges to be made for each animal, and otherwise to regulating the common pasture.

(2.) Where in a rural district any area other than a parish is a contributory place for the purposes of the Public Health Act, 1875, this Act shall apply to such contributory place as if it were a parish, and the expression "parish" in this Act shall not include any parish wholly or partly within such contributory place, and the parliamentary electors for the contributory place shall be the persons registered in any list of parliamentary electors for any parish wholly in such contributory place, or for any parish partly therein, if registered in respect of any qualification situate in such contributory place.
