## NOTIFICATION.

THE General Board of Health hereby give notice, in terms of sections of the Public Health Act, that on or before the 9th April next written statements may be forwarded to the Board with respect to any matter contained in or omitted from the accompanying Report on a further Inquiry as to the Boundaries which may be most advantageously adopted for the Parish of ASHBY-DE-LA-ZOUCH, in the County of Leicester, for the purposes of the Public Health Act; or with respect to any amendment to be proposed therein.

By order of the Board,

HENRY AUSTIN, *Secretary.*

*Report to the General Board of Health on a further Inquiry as to the Boundaries which may be most advantageously adopted for the Parish of ASHBY-DE-LA-ZOUCH, in the County of Leicester, for the purposes of the Public Health Act. By WILLIAM LEE, Esq., Superintending Inspector.*

*Gwydyr House, January 30, 1850.*

MY LORDS AND GENTLEMEN,

HAVING during the past year made a preliminary inquiry with a view to the application of the Public Health Act to the Parish of Ashby-de-la-Zouch, in the county of Leicester, and having reported in writing to you upon the matters in respect of which I had been directed to inquire, and it appearing to me from the statements contained in such Report that, in case the said Act should be applied to the said parish of Ashby-de-Zouch, the boundaries which may be most advantageously adopted for the purposes of the said Act are not the same as those of the said parish, and that for such purposes it would be proper to exclude from the said parish of Ashby-de-la-Zouch such portions of the said parish as lie beyond the line marked on the map accompanying the said Report, and which are more particularly referred to in the said Report; and the Board, in further pursuance of the said Act, having directed me to visit the parts within the boundaries proposed by the said Report to be adopted for the purposes of the said Act, and to hear all persons desirous of being heard before me upon the subject of the said Report;—it is my duty to state that, having given the notice required by the Public Health Act, I proceeded with such further inquiry on the 24th instant, at 10 o'clock in the forenoon, at the public office there.

Mr. Samuel Price proved that the notices of the inquiry had been duly affixed, after which I heard all persons desirous of being heard on the subject of the said Report. As the result

of this further inquiry I have to confirm all the conclusions and recommendations contained in the said Report, and to add that the inhabitants are anxious for the application of the Public Health Act to the district included within the proposed boundaries with as little delay as possible.

I have the honour to be,

My Lords and Gentlemen,

Your most obedient servant,

WILLIAM LEE,

Superintending Inspector.
