May 1. Delphi

We are enjoying ourselves
specially in the lovely setting
of Delphi. Some adventures by
the steamship which missed our
Corfu which we had set our
hearts on and it was on the
schedule but Greek ships are
unreliable! We landed at
Piraeus 9 pm and had to
find a reasonable hotel. It is
fun translating the Greek
capital letters and then the
word itself into modern
pronunciation. Will you
please put the other card
in the post locally.

Best wishes to you both
