Dear Charlie

We are leaving here tomorrow (Friday, 10th) for Bombay having loaded coal cargo here. It is a run of 16 days in ordinary weather for us we shall get it hot enough on the way. It is pretty warm here now. I have met an old friend & schoolmate of mine here who came out 12 years ago. I knew he was here a few years back but was not certain if he was here still but have learnt his place now. So I have found it an agreeable change here that C. Brown having friends to visit, which is so different to the Indian ports. I will myself & that that you will the girls are like-wise & hope you are having some beautiful weather. All good wishes from Jack
