COROMUS (D. Blazer) says: "HORLICK'S MALTED MILK is without doubt the best food drink on the market. I find it invaluable to me as a stage athlete, as, to

perform feats of strength twice nightly, one wants to get the best nourishment out of the least amount of diet, as it is impossible to do work of my description on a full stomach. I have introduced it to several friends who now stand by it. It is an ideal food.
