I am to introduce my
youngest son to him
that with his leave you

My dearest Francis,

I am quite unhappy about your health, do take your mother's advice, & give up all writing, & all head work for a year, remember you have not a strong constitution & overworking your mind, falls upon your bodily health. Do my love, be persuaded to lay aside all ambition, & give yourself a complete years rest, & perhaps it may be the saving of your life, come to me whenever you like, & you shall have perfect quiet, my mind is with you by day, & by night, I long to have you with me with love to you & Louise believe me ever your affectionate mother V Galton

Let me my dear, wish you
many many happy returns of
your coming Birthday, & I pray
you may be blest with good
health & every happiness this world
can give you - God bless you -
