My dear Emma

Thank you very much  
for your kind useful  
letter which I shall learn  
by heart - I have written  
to Darwin who mentions  
two places, but as they  
are accompanied by Bug  
I shall not venture.

I shall write to Francis  
if it will not trouble him

to say that we want  
 1 Sitting room & three  
 good Bedrooms each bed  
 to hold 2 persons & a 4<sup>th</sup>  
 little bed for the Babies.  
 also 1 Man's room.

Any where near my  
 favorite Regent's Street  
 w<sup>o</sup> suit us best or near  
 the Parks nearest Regent  
 Street - As though the  
 Dentist Mr. Robinson is  
 in Gower Street near  
 the British Museum  
 we think ~~where~~ we sh<sup>d</sup>  
 be nearer the other places

F. 25

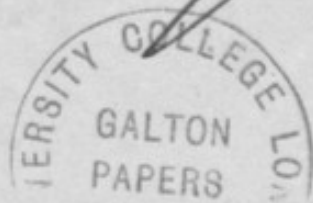

or more able to take them  
on foot between times.

We shall want our Lodging  
on the 24<sup>th</sup> of this Month

The object of this Note  
is to ask you how we  
could get a Permit to see  
the private apartments  
at Windsor & at the  
Mavillion in Brighton  
as we mean to take a  
dash & see the former  
Place also Hampton  
Court (which requires no  
Permit) if we can Ma-  
nage them while we

London where I suspect  
 we must stay nearly  
 a week while a Plate  
 is being made & fitted  
 for Amy's teeth - One  
 other thing I wish to ask  
 if you are with the  
 Subjects still of which I  
 have asked Darwin but  
 Mary has not answered  
 & I am ashamed to write  
 again if <sup>or they</sup> can you recom-  
 mend any place where  
 we may hear of second  
 hand Carriages, as so many  
 persons hire a carriage & part  
 with it again in a year or  
 less at a bargain some poor  
 carriage is worn out & really

dangerous to use & we  
 wish much to get one  
 something like my  
 Mother's so as to be  
 very handy & yet very  
 light with a Dickey  
 before & behind - I thought  
 Uncle Herbert might  
 know of one.

I have not time to say  
 more as breakfast is  
 ready & James will  
 take this note with

him. I am glad the  
 journeys are so much  
 better. Give my love  
 to your mother & sister.  
 I cannot tell you all I know  
 in proper proportions  
 & believe me dearest  
 Emma

Y. affectionately  
 Wm. Wallcut
