Dear Dr. Pincus

I thank you very much for sending me the
reprint of your paper - The subject interests
me greatly from the biochemical, as well as
the genetic point of view, and I have read
your earlier paper on *Strep. pyogenes*

unbecomingly, and also Föllny's.

Yours very truly

My dear Sir,

I send you "thumb marks"
of "George" the Orang Utan who is
just dead. Had not your direction
I am sure I did not know the best
way of proceeding. The more successful
ones were done with soot & gum.
Will they be of any use to you?

Yours very truly
