Dear Sir

In answer to your request for
photographic portraits published in the
'Lature of April 5'. I venture to send
you a medley of groups & single figures,
some of which may be of service. I do
not quite understand whether you wish to
know anything about the persons portrayed

but in case such information might be useful,
the names, & in most instances, the
relationships have been written on the
back of the photograph.

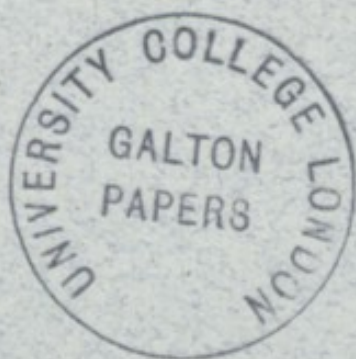

If such groups are of any use to you, I
could probably find some more of the
same nature: those sent at present
are just those which came to hand first.
If you have any communications to make to

f. 21

He will give you the post as he addresses
me at Trinity College, Cambridge.

I am yours faithfully

Thomas M. Stansfield

TRINITY COLLEGE,
CAMBRIDGE. April 22.

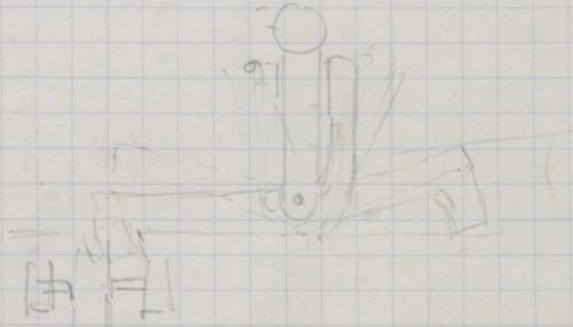

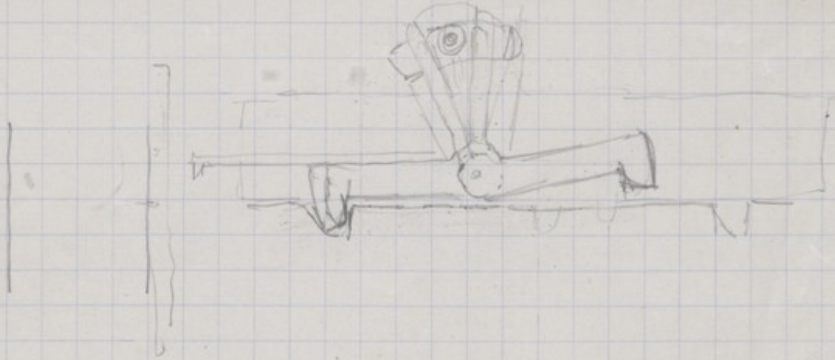

Dear Sir

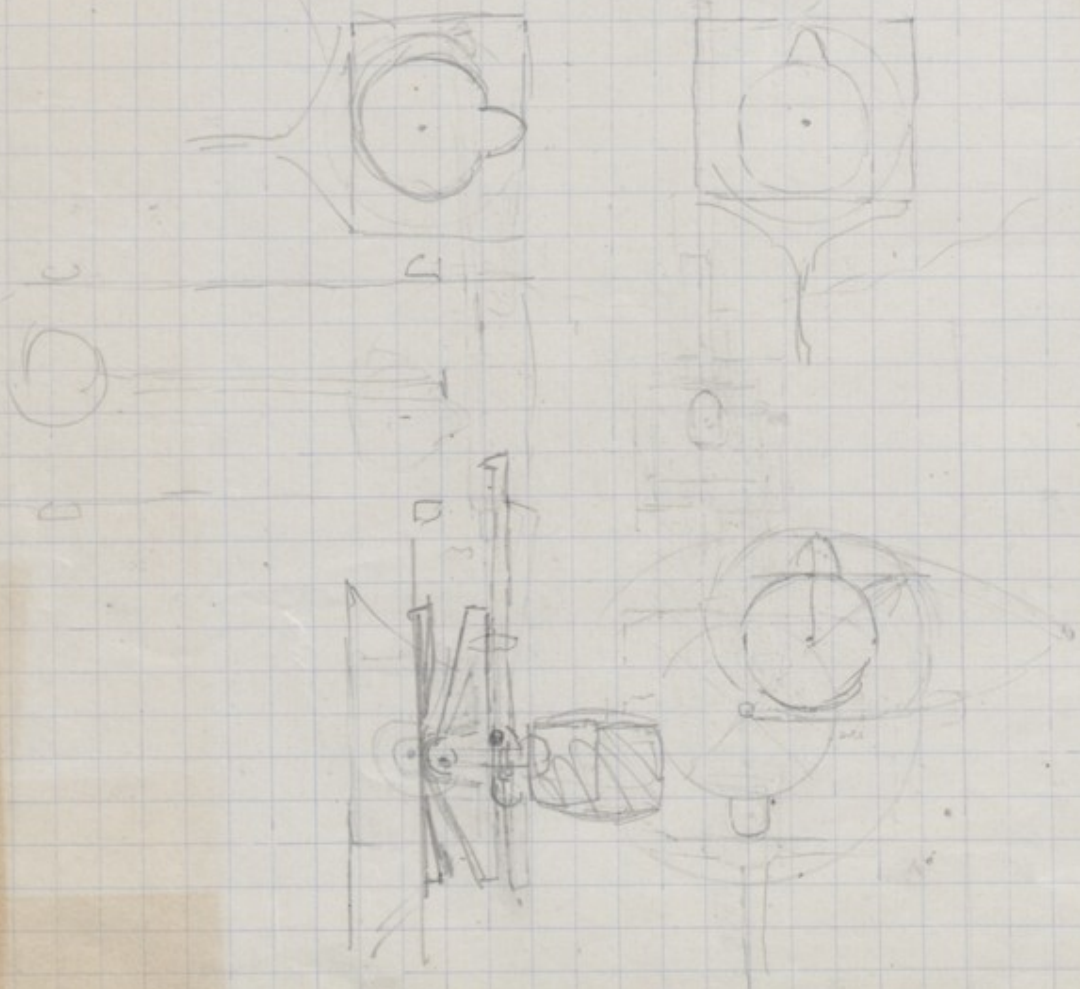

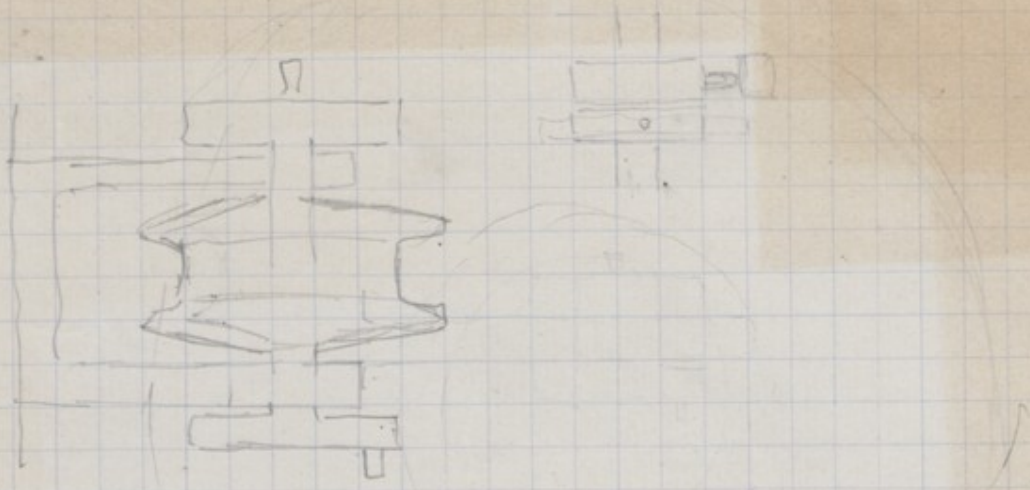

I send you a few more photographs. I expect
to find that I have not so many as I thought. As is
always the case, I destroyed a lot of prints, which I
thought useless, just a short time before they might have
been put to some service.

Yours faithfully

Ernest R. Sampson
